

# GRADUATE AND PROFESSIONAL CATALOG

---

Most post-baccalaureate study at the University of Nebraska-Lincoln is overseen by the Office of Graduate Studies and covered by Graduate Studies Policies (<https://catalog.unl.edu/graduate-professional/graduate>). A few programs are instead covered by Professional Studies Policies (<https://catalog.unl.edu/graduate-professional/professional>) (Master of Architecture, Doctor of Veterinary Medicine, Doctor of Plant Health), and Law has its own catalog (<https://catalog.unl.edu/law>).
