

# GRADUATE STUDIES POLICIES

This section of the catalog covers policy specific to Graduate Studies.

Any questions about these policies should be directed to Graduate Studies (<http://www.unl.edu/gradstudies/contact>).

**It is the responsibility of the student to be familiar with the information in this catalog and on the Graduate Studies website** (<http://www.unl.edu/gradstudies>), **and to know and observe all regulations and procedures relating to the program he or she is pursuing.** In no case will a regulation be waived or an exception granted because a student pleads ignorance of, or contends that he or she was not informed of, the regulations or procedures. A student planning to graduate should be familiar with the dates relating to application for graduation and other pertinent deadlines.

*The University of Nebraska–Lincoln expressly reserves the right to: add or delete courses from its offerings and to change times or locations; change academic calendars without notice; cancel any course for insufficient registrations; modify, consolidate, or delete any program; and revise or change rules, charges, fees, schedules, courses, requirements for degrees, and any other regulation affecting students including, but not limited to, evaluation standards, whenever considered necessary or desirable.*
