ACCESS TO SERVICES
Registration is required for services such as door access, the Recreation Center, the University Health Center, and some Library resources.

Students who pay the University Health Center (UHC) fee are able to access reduced-cost healthcare services at the UHC. Students enrolled in less than 7 cr per term pay a reduced University Program and Facilities Fee (UPFF) that does not include the UHC fee; to use the UHC they may pay the UHC fee or procure UHC services on a fee-for-service basis.

DOCTORAL CANDIDACY
Doctoral students who have advanced to candidacy status must be registered every fall and spring semester until they graduate, in accordance with the Guidelines for Registration During Doctoral Candidacy (https://catalog.unl.edu/graduate-professional/policies/academic-program-requirements/#candidacy). Failure to maintain registration may result in the termination of the student’s program.

Credit Hour Requirements
Full-Time Status
Hour Requirements
Graduate students are considered full time when registered for 9 credit hours during the academic semester, including summer.

Full-Time Certification
Graduate students may request full-time certification each semester they are under-enrolled, for the time allowed for their degree.

Employment and Registration
Assistantships, Fellowships, and Traineeships
Graduate assistants are not required to register for courses during the summer term. Graduate assistants employed in the summer but who are not registered for 4 credit hours or certified full-time during the summer term are subject to FICA and Medicare taxes.

Graduate students holding any fellowship(s) are required to be enrolled as a full-time student as defined above. Students with external or departmental fellowships must follow the specific granting agency requirements.

Graduate students holding a traineeship are required to be enrolled full-time or be full-time certified during the tenure of their traineeship. Other remunerative employment must follow the granting agency requirements.

Graduate assistants may not work more than 19.6 hours per week, all jobs considered, including assistantship(s) and paid internships. Internships are considered work in a training environment related to the student’s educational career for which they receive pay; an assistantship and an internship may not be held by a student simultaneously if the total hours between the two equal more than 19.6 hours per week. This applies to fall and spring terms only.

Graduate students not employed, or graduate research assistants performing duties that are 100% thesis related, may register for a maximum of 15 credit hours during an academic year semester, 6 credit hours during one five-week summer session, 9 credit hours during one eight-week summer session, or 3 credit hours during the pre-session.

Maximum Registration Guidelines
Graduate students who are employed are advised not to exceed the following registration guidelines established by the Graduate Council.

- Eligibility: The student must be currently registered for at least one credit hour. Master’s degree-seeking students must have an approved Memorandum of Courses on file with the Office of Graduate Studies and must be pursuing a specific major under Option A (thesis); Doctoral degree-seeking students must be in candidacy.
- Limitations: Masters students may use full-time certification for three consecutive terms, doctoral students in candidacy may use it no more than six consecutive terms. Summer is included in the terms. An audited course does not qualify the student for full-time certification use as credits are not earned.

Summer minimum registration for financial aid is 5 credit hours. These credits may be in different summer sessions; aid is disbursed in the session the student reaches half-time enrollment.
Members of the academic-administrative, managerial-professional, and office-service staffs employed full time are eligible for the Employee and Dependent Scholarship Program (https://nebraska.edu/faculty-and-staff/resources/employee-dependent-scholarship-program/).

### Auditing a Course

Auditing gives a student the privilege of attending class, but credit is not earned and a grade of AU is assigned when auditing a class. All persons wishing to audit a course must be admitted and eligible to enroll in classes for the term in which they audit. Tuition and fees for audited courses are the same as for graded courses. Audited courses cannot be applied toward a graduate degree or certificate.

To audit a course:

1. Register for the class online.
2. Pick up a Permit to Audit Card at the Office of the University Registrar (http://registrar.unl.edu/).
3. Obtain the instructor’s permission to audit the course by having him or her sign the Permit to Audit Card.
4. Turn in the signed Permit to Audit Card at the Office of the University Registrar no later than the last day to add a class for the term.

### Drop and Add

Students may drop or add classes from the beginning of priority registration through the last day on which classes may be added for a term, as published in the Academic Calendar (http://registrar.unl.edu/academic-calendar/).

- Students who do not register for classes until after the beginning of the term will be charged a late registration fee.
- After the end of the add period, a course may be added to a student’s record only with permission from the instructor and Graduate Studies.
- Tuition liability for a course begins after the add period for a term.

### Withdrawal

#### Impacts of Withdrawal

Before withdrawing from courses, some students should seek information on the ramifications of withdrawal:

- Graduate assistants should contact their department Graduate Chair.
- Students withdrawing after the term’s last day to add classes should contact the Office of Scholarships and Financial Aid (http://financialaid.unl.edu/) about potential impacts on eligibility for aid or loan deferral.
- International students should consult the International Student and Scholar Office (http://issso.unl.edu/).

All courses dropped after the second week of the term are noted on the student’s academic record (transcript) with a grade of “W” (withdrawn).

### Timing of Withdrawal

Before the 3/4 point of the term, students may withdraw from classes regardless of circumstance. A course drop becomes effective for tuition and grade purposes on the date the transaction is processed by the student.

After the 3/4 point of the term, any withdrawal from classes must be for extraordinary circumstances and will be granted only by petition through Graduate Studies, based on the following documentation:
1. A written request from the student within 60 days of the end of the term.
2. Written permission from the instructor.
3. Documentation for illness, death in the family or abrupt change in work schedule.

**Correction of Registration Errors**

A graduate student who has registered in error (for example, for the undergraduate level of a 400/800 course) should correct the error through the normal drop and add process during the term in which the error occurred.

In the event the error is not recognized until a grade is posted, the student may request correction of registration within sixty days of the posting of the grade to the Office of the University Registrar (http://registrar.unl.edu/). Changes to a student registration record will not be made more than sixty days after grades are posted.
