

MATHEMATICS (MS)

Description

An excellent colloquium series exposes students to recent developments in the mathematical sciences from a variety of distinguished speakers.

Students also have access to an excellent research library, a mathematical sciences database, and two computer laboratories with state-of-the-art computational facilities.

Specializations

- Applied Mathematics
- Bioinformatics
- Pure Mathematics

Applying for Admission

Standard requirements for all graduate programs

- Application for Admission with \$50 non-refundable application fee (<https://graduate.unl.edu/admissions/requirements/#appfee>).
- Transcripts (<https://graduate.unl.edu/admissions/requirements/#transcripts>) (unofficial): Uploaded as part of application form.

If International: Uploads must include all college- or university-level transcripts or mark sheets (records of courses and marks earned), with certificates, diplomas, and degrees plus certified English translations.

After admission: Official documents are required from all students who are admitted and enroll. Photocopies of certified records are not acceptable. International students enrolled in other U.S. institutions may have certified copies of all foreign records sent directly to the Office of Graduate Studies by their current school's registrar office.

- If applicant's native language is not English, verification of English proficiency (<https://graduate.unl.edu/admissions/english-proficiency/>) is required.

When sending TOEFL scores, our institution code is 6877 and a department code is not needed.

- If applicant is not a US citizen and expects an F or J visa: financial information (<https://graduate.unl.edu/prospective/international/financial/>).
- Applicants must also fulfill any additional requirements the department specifies at the time of application.

Additional requirements specific to this program

- GRE (recommended)
- Resume
- Personal Statement
- Writing Sample (optional): Upload up to 2 research papers that have been submitted or published.
- Recommenders: As a minimum, 3 letters of recommendation are required. Up to 5 may be submitted.

Admission Application Deadlines

For priority/financial consideration, applications should be submitted by January 15. Applications received after this date may be considered depending on space/funding availability.

Requirements

Hours required: 30
