

MIXED METHODS RESEARCH (CERTIFICATE)

The Mixed Methods Research graduate certificate is a stand-alone credential that can provide you with the research skills necessary to fulfill this very important need.

Description

The pressure to conduct research by federal, state and accreditation agencies is becoming more and more prevalent in a variety of settings including academia and health care. Research is increasingly reliant on mixed methods techniques.

This certificate is well-suited for current and future doctoral students seeking to enhance their professional skills and training. Individuals with no training in mixed methods research, such as those from the allied-health professions, would also benefit from the coursework.

Applying for Admission

Standard requirements for all graduate programs

- Application for Admission with \$50 non-refundable application fee (<https://graduate.unl.edu/admissions/requirements/#appfee>).
 - Transcripts (<https://graduate.unl.edu/admissions/requirements/#transcripts>) (unofficial): Uploaded as part of application form.
- If International: Uploads must include all college- or university-level transcripts or mark sheets (records of courses and marks earned), with certificates, diplomas, and degrees plus certified English translations.

After admission: Official documents are required from all students who are admitted and enroll. Photocopies of certified records are not acceptable. International students enrolled in other U.S. institutions may have certified copies of all foreign records sent directly to the Office of Graduate Studies by their current school's registrar office.

- If applicant's native language is not English, verification of English proficiency (<https://graduate.unl.edu/admissions/english-proficiency/>) is required.
When sending TOEFL scores, our institution code is 6877 and a department code is not needed.
- If applicant is not a US citizen and expects an F or J visa: financial information (<https://graduate.unl.edu/prospective/international/financial/>).

- Applicants must also fulfill any additional requirements the department specifies at the time of application.

Additional requirements specific to this program

- Personal statement
- One recommender
- Resume
- Minimum English proficiency: Paper TOEFL (<http://www.toefl.org/>) 550, Internet TOEFL (<http://www.toefl.org/>) 80, IELTS (<https://www.ielts.org/>) 6.5

Certificate programs are not considered degree programs, so international students should be aware that admission to this program is ineligible for immigration forms for an F-1 student visa.

Admission Application Deadlines

January 15th (for Fall) and October 1st (for Spring)

Requirements

Complete 15 credit hours as described here, with a grade of B or better in each course:

| Required Courses ^(12 credits) | | 12 |
|---|--|----------|
| Statistics: Choose 1 course (3 cr) | | |
| EDPS 859 | Statistical Methods ¹ | 3 |
| EDPS 860 | Applications of Selected Advanced Statistics ¹ | 3 |
| EDPS 941 | Intermediate Statistics: Experimental Methods | 3 |
| EDPS 942 | Intermediate Statistics: Correlational Methods | 3 |
