

# ARCHIVED CATALOGS

## PLEASE NOTE:

Students who enter a college within the University in the 2016-2017 academic year are expected to complete the graduation requirements set forth by that college in this bulletin. Students are responsible for knowing which bulletin they should follow.

## College Bulletin Usage Rules

### Agricultural Sciences & Natural Resources

Students must fulfill the requirements stated in the bulletin for the academic year in which they are first admitted to UNL or when they were first admitted to a Joint Academic Transfer Program. In consultation with advisors, a student may choose to follow a subsequent bulletin for any academic year in which they are admitted to and enrolled as a degree-seeking student at UNL in the College of Agricultural Sciences and Natural Resources. Students must complete all degree requirements from a single bulletin year. The bulletin which a student follows for degree requirements may not be more than 10 years old at the time of graduation.

### Architecture

Students will be required to complete course work for their degree within a ten year period from the time they are admitted into the professional program in the second year.

### Arts & Sciences

Students must fulfill the requirements stated in the bulletin for the academic year in which they are first admitted to and enrolled as a degree-seeking student at UNL. In consultation with advisors, a student may choose to follow a subsequent bulletin for any academic year in which they are admitted to and enrolled as a degree-seeking student at UNL in the College of Arts and Sciences. Students must complete all degree requirements from a single bulletin year. Beginning in 1990-1991 the bulletin which a student follows for degree requirements may not be more than 10 years old at the time of graduation.

### Business

Students (including transfer students) must follow the Undergraduate Bulletin in effect when they **enroll** in the College of Business. Students who leave the college and return or those applying for 'readmission' to the College are subject to requirements in place at the time of their **re-enrollment** in the College.

### Education & Human Sciences

Students are responsible for following the rules, policies and requirements found in the UNL Undergraduate Bulletin for the academic year in which they were last admitted to a program in the College of Education and Human Sciences. Students must complete all program requirements from a single bulletin year. In consultation with their advisor, a student may choose to move to and follow a subsequent bulletin if it is in their best interest.

### Engineering

Students must fulfill the requirements stated in the bulletin for the academic year in which they are first admitted at UNL. In consultation with advisors, a student may choose to follow a subsequent bulletin for any academic year in which they are admitted to and enrolled as a degree-seeking student at UNL in the College of Engineering. Students must complete all degree requirements from a single bulletin year. The bulletin which a student follows for degree requirements may not be more than 10 years old at the time of graduation.

### Fine & Performing Arts

Students who first enroll at Nebraska under the 2016-2017 Undergraduate Bulletin must fulfill the requirements stated in this bulletin or in any other bulletin which is published while they are enrolled in the College provided the bulletin they follow is no more than ten years old at the time of graduation. A student must, however, meet the requirements from one bulletin only rather than choosing a portion from one bulletin and the remainder from another.

**Exception:** Students pursuing any degree in the Glenn Korff School of Music who fail to take at least one course that will fulfill their degree requirements during a 12-month period must apply for re-admission. They are then required to move to the new bulletin and fulfill the requirements in effect at the time of readmission.

### Journalism & Mass Communications

Students who left the university in good standing may be readmitted to the College of Journalism and Mass Communications and they may choose the bulletin under which they wish to graduate according to the following guidelines:

1. Students must fulfill the requirements stated in the Undergraduate Bulletin for the year they enter the College of Journalism and Mass

Communications or in any subsequent bulletin published while they are enrolled in the college.

2. A student must meet the requirements from one bulletin only rather than choosing a portion from one bulletin and the remainder from another.
3. No returning student may use a bulletin that is 10 years old or older. In addition, any student seeking graduation credit for a College of Journalism and Mass Communications course taken more than 10 years prior to graduation must demonstrate mastery of the material currently included in that course at the proficiency level satisfactory to the relevant associate dean and one or more faculty members qualified to teach the course in question. Students unable to demonstrate satisfactory mastery of the course material will be required to repeat the original course or a corresponding contemporary course designated by the college's advisory committee, if the original course is no longer offered.

### **Public Affairs & Community Service**

A student registering in the College of Public Affairs and Community Service (CPACS) for the first time may, except for limitations described below, complete work for the degree according to the requirements of

1. the catalog in effect the year the student enters CPACS, or
2. the catalog current at the time the student applies for the degree.

Students entering the College for the first time in the summer will be subject to the catalog for the academic year immediately following.

Students formerly in a CPACS program who drop out of the College for one year must complete requirements of the catalog current at the time of readmission.

Failure to complete the requirements for the degree within seven years after the date the student first enters the College will subject the student to graduation under the requirements of a later catalog to be approved by the Dean.

The College reserves the right to institute and make effective, after due notice, during the course of a student's work toward a degree, any new ruling which may be necessary for the general good of the College and to substitute courses currently offered for those no longer offered.
