

GREAT PLAINS STUDIES MINOR

Description

Great Plains Studies is an interdisciplinary/ intercollegiate program of the Center for Great Plains Studies, 1155 Q Street. A minor in Great Plains Studies is a useful program for students who plan a career in business, education, planning, policy analysis, agriculture, public relations, marketing, and any profession or career where an in-depth understanding of the Plains region would be advantageous. Courses that comprise the program are based in the following cooperating departments: African American and African Studies; Agricultural Economics; Agronomy; Anthropology and Geography; Architecture; Art and Art History; Biological Sciences; Communication Studies; Community and Regional Planning; Earth and Atmospheric Sciences; English; Ethnic Studies; History; Latino and Latin American Studies; Modern Languages and Literatures; Music; Native American Studies; Natural Resource Sciences; Political Science; Sociology; and Women and Gender Studies. Internships are strongly encouraged and may be used to fulfill major or minor requirements.

College Requirements

College Admission

College Admission

The entrance requirements for the College of Arts and Sciences are the same as the University of Nebraska–Lincoln General Admission Requirements. Students who are admitted through the Admission by Review process may have certain conditions attached to their enrollment at Nebraska. These conditions are explained under “Removal of Deficiencies.”

In addition to these requirements, the College of Arts and Sciences strongly recommends a third and fourth year of one foreign language. Four years of high school course work in the same language will fulfill the College of Arts and Sciences’ language requirement. It will also allow students to continue language study at a more advanced level at the University of Nebraska–Lincoln, and provide more opportunity to study abroad.

Transfer Students

To be considered for admission as a transfer student, Nebraska resident or nonresident, students must have an accumulated average of C (2.0 on a 4.0 scale) and a minimum C average in the last semester of attendance at another college. Transfer students who graduated from high school January 1997 and after must also meet the University of Nebraska–Lincoln General Admission Requirements. Those transfer students who graduated before January 1997 must have completed in high school, 3 years of English, 2 years of the same foreign language, 2 years of algebra, and 1 year of geometry. Transfer students who have completed less than 12 credit hours of college study must also submit either their ACT or SAT scores.

Ordinarily, hours earned at a similarly accredited college or university are applicable to the University of Nebraska–Lincoln degree. The College, however, will evaluate all hours submitted on an application for transfer, and reserves the right to accept or reject any of them, based upon its exclusion and restriction policies. Sixty (60) is the maximum number of hours the University will accept on transfer from a two-year college or international institution. Transfer credit in the major or minor must be approved by the departmental advisor on a Request for Substitution Form

to meet specific course requirements, group requirements, or course level requirements in the major or minor. At least half of the hours in the major field must be completed at the University regardless of the number of hours transferred.

The College of Arts and Sciences will accept no more than 15 semester hours of C- and D grades from other schools. The C- and D grades cannot be applied toward requirements for a major or minor. This policy does not apply to the transfer of grades from UNO or UNK to the University of Nebraska–Lincoln. All D grades may be transferred from UNO or UNK, but they are not applicable to a major or minor.

Readmitted Students

University of Nebraska–Lincoln students who choose not to take courses for more than two consecutive terms, must reapply to the University of Nebraska–Lincoln. Students readmitted to the College of Arts and Sciences will follow the requirements stated in the catalog for the academic year of readmission and re-enrollment as a degree-seeking student in Arts and Sciences. In consultation with advisors, a student may choose to follow a catalog for any academic year in which they are admitted to and enrolled as a degree-seeking student at Nebraska in the College of Arts and Sciences. Students must complete all degree requirements from a single catalog year. Beginning in 1990-1991, the catalog which a student follows for degree requirements may not be more than 10 years old at the time of graduation.

Admission Deficiencies/Removal of Deficiencies

Students must remove entrance deficiencies in geometry and foreign language as soon as possible, and before graduating from the College of Arts and Sciences. For questions and more information, students should consult a college advisor in the Academic and Career Advising Center in 107 Oldfather Hall.

Removing Foreign Language Deficiencies

Students must complete the second semester of a first year language sequence to clear the deficiency and the second semester of the second year language sequence to complete the college graduation requirement in language.

Removing Geometry Deficiencies

A deficiency of one year of geometry can be removed by taking high school geometry courses through an approved independent study program, or by completing a geometry course from an accredited community college or a four-year institution. Neither of these options will count for college credit.

College Degree Requirements

College Distribution Requirements

Bachelor of Arts or Bachelor of Science (16 hours + Language)

The College of Arts and Sciences distribution requirements are designed to further the purposes of liberal education by encouraging study in several different areas within the College. All requirements are in addition to University ACE requirements. A student may not use a single course to satisfy more than one of the following five distribution requirements. A student cannot use a single course to satisfy both an ACE outcome and a College distribution requirement. A student cannot use a course from their primary major to satisfy the Breadth Requirement (F), but may apply an ancillary requirement of the primary major or a course from their second major toward this requirement. Independent study or reading courses and internships cannot be used to satisfy distribution requirements. To see a complete list of excluded courses, run a degree audit through MyRED.

Courses from interdisciplinary programs will count in the same area as courses from the home/cross-listed department(s).

Code	Title	Credit Hours
College Distribution Requirements		
CDR A - Written Communication		3
Select from courses approved for ACE outcome 1.		
CDR B and BL - Natural, Physical, and Mathematical Sciences with Lab		4
Select from biochemistry, biological sciences, chemistry, computer science, geology, meteorology, mathematics, physics and statistics. Must include one lab in the natural or physical sciences. Lab courses may be selected from biochemistry, biological sciences, chemistry, geology, meteorology and physics.		
Some courses from geography and anthropology may also be used to satisfy the lab requirement above. ¹		
CDR C - Humanities		3
Select from classics, English, history, modern languages and literatures, philosophy, and religious studies. ²		
CDR D - Social Science		3
Select from: anthropology, communication studies, geography, political science, psychology, or sociology. ³		
CDR E - Language		0-16
Fulfilled by the completion of the 6-credit-hour second-year sequence in a single foreign language in one of the following departments: Classics and religious studies, modern languages and literatures, or anthropology. Instruction is currently available in Arabic, Chinese, Czech, French, German, Greek, Japanese, Latin, Omaha, Russian, and Spanish. A student who has completed the fourth-year level of one foreign language in high school is exempt from the languages requirement.		
CDR F - Additional Breadth		3
Select from: natural, physical and mathematical sciences (Area B), humanities (Area C), or social sciences (Area D). Cannot be a course from the primary major.		
Credit Hours Subtotal:		16-32

¹ See degree audit or a College of Arts and Sciences advisor for approved geography and anthropology courses that apply as natural science.

² Language courses numbered 210 or below apply only for the foreign language requirement.

³ See degree audit or College of Arts and Sciences advisor for list of natural/physical science courses in anthropology, geography, and psychology that do not apply as social science.

Scientific Base

Bachelor of Science Only (60 hours)

The bachelor of science degree requires students to complete 60 hours in mathematical, physical and natural sciences. Approved courses for scientific base credit come from the following College of Arts and Sciences disciplines: actuarial science, anthropology (selected courses), astronomy, biochemistry (excluding BIOC 101), biological sciences (excluding BIOS 203), chemistry (excluding CHEM 101), computer science (excluding CSCE 10), geography (selected courses), geology, life sciences,

mathematics (excluding courses below MATH 104), meteorology, microbiology, physics and statistics.

See your degree audit or a College of Arts and Sciences advisor for a complete list including individual classes that fall outside of the disciplines listed above. Up to 12 hours of scientific and technical courses offered by other colleges may be accepted toward this requirement with approval of a college advisor.

Foreign Languages/Language Requirement Languages Exemption Policy

The University of Nebraska–Lincoln and the College of Arts and Sciences will exempt or waive students from the Nebraska entrance requirement of two years of the same foreign language or from the College's language distribution requirement based on documentation only. The following are the options and procedures for documentation:

High School Transcripts

For the University entrance requirement, students must show an official high school transcript with two or more years of the same foreign language.

For the College of Arts and Sciences College Distribution Requirement E-Language, students must show an official high school transcript with four or more years of the same foreign language in high school, or show evidence of graduation from a non-English-speaking foreign high school. Students whose native language is not English must show English as a Second Language study on an official high school transcript. Four years of ESL at the high school level (9th, 10th, 11th and 12th grades) will be the basis for a waiver of the CDR E Language requirement.

Proficiency Examination at UNL

For the University entrance requirement, students who do not have transcript documentation can request to take a proficiency exam in the language. (*This is not the same test as the Modern Languages Placement Exam.*) However, the University will provide testing only in the languages it teaches. Currently, these languages are: Arabic, French, German, Spanish, Russian, Czech, Japanese, Chinese.

For the College of Arts and Sciences College Distribution Requirement E-Language, the Department of Modern Languages will oversee the test at the 202 level. If the student passes the test, the department will sign the College Request for Waiver form and indicate the level of proficiency. The form is then forwarded to the Arts and Sciences Advising Center for approval.

The Department of Modern Languages will oversee the test and provide written documentation to the Arts and Sciences Advising Center the level of proficiency passed.

Distance Education

For the University entrance requirement, students without transcript documentation who claim proficiency in a language not taught at the University of Nebraska–Lincoln, have the option of seeking out a distance education program in languages. If the student completes the equivalent of 102 from an approved distance education program, the student will meet the University's entrance requirement. The student must have the course work approved before he/she takes/completes the course as equivalent to 102 by a College advisor. The student then completes the course and has the distance education program send the transcript to the Admissions Office.

For the College of Arts and Sciences College Distribution Requirement E-Language, the student can seek out a distance education program and complete the equivalent of the 202-level course. The student must submit

the request on the College Request for Substitution form and have the course work approved by a College advisor. The student then completes the course and has the distance education program send the transcript to the Admissions Office.

Third Language Option

If a student demonstrates knowledge of two foreign languages at the 102 level, the College of Arts and Sciences may consider waiving two semesters of the four semester College Distribution Requirement E-Languages requirement. If this waiver were granted, the student would then be required to complete 101 and 102 in another, 3rd foreign language at Nebraska.

Minimum Hours Required for Graduation

A minimum of 120 semester hours of credit is required for graduation from the College of Arts and Sciences. A total grade point average of at least 2.0 is required.

Grade Rules

Restrictions on C- and D Grades

The College will accept no more than 15 semester hours of C- and D grades from other schools except for UNO and UNK. No transfer C- and D grades can be applied toward requirements in a major or a minor. No University of Nebraska–Lincoln C- and D grades can be applied toward requirements in a major or a minor.

Pass/No Pass Privilege

University regulations for the Pass/No Pass (P/N) privilege state:

- The Pass/No Pass option is designed for your use by seeking to expand your intellectual horizons by taking courses in areas where you may have had minimal preparation.
- Neither the P nor the N grade contribute to your GPA.
- P is interpreted to mean C or above.
- A change to or from a Pass/No Pass may be made until mid-term (see academic calendar for specific dates per term).
- The Pass/No Pass or grade registration cannot conflict with the policy of the professor, department, college, or University governing the grading option.
- Changing to or from Pass/No Pass requires using the MyRED system to change the grading option or filing a Drop/Add form with the Office of the University Registrar, 107 Canfield Administration Building. After mid-term of the course, a student registered for Pass/No Pass cannot change to a grade registration unless the Pass/No Pass registration is in conflict with the policy of the professor, department, college, or University governing Pass/No Pass.
- The Pass/No Pass grading option cannot be used for the removal of C- or D or F grades.

Pass/No Pass privileges in the College of Arts and Sciences are extended to students according to the following additional regulations:

- Pass/No Pass hours can count toward fulfillment of University ACE requirements and college distribution requirements up to the 24-hour maximum.
- Most Arts and Sciences departments and programs do not allow courses graded Pass/No Pass to apply to the major or minor. Students should refer to the department's or program's section of the catalog for clarification. By college rule, departments can allow up to 6 hours of Pass/No Pass in the major or minor.

- Departments may specify that certain courses of theirs can be taken only on a P/N basis.
- The college will permit no more than a total of 24 semester hours of P/N grades to be applied toward degree requirements. This total includes all Pass grades earned at the University and other U.S. schools. **NOTE:** This 24-hour limit is more restrictive than the University regulation.

Grading Appeals

A student who feels that he/she has been unfairly graded must ordinarily take the following sequential steps in a timely manner, usually by initiating the appeal in the semester following the awarding of the grade:

1. Talk with the instructor concerned. Most problems are resolved at this point.
2. Talk to the instructor's department chairperson.
3. Take the case to the Grading Appeal Committee of the department concerned. The Committee should be contacted through the department chairperson.
4. Take the case to the College Grading Appeals Committee by contacting the Dean's Office, 1223 Oldfather Hall.

Course Level Requirements

Courses Numbered above 299

Thirty of the 120 semester hours of credit must be in courses numbered above 299. Of the 30 hours above 299, 15 hours (1/2) must be completed in residence at UNL.

Graduate Courses

Seniors in the University who have obtained in advance the approval of the dean for Graduate Studies may receive up to 12 hours credit for graduate courses taken in addition to the courses necessary to complete their undergraduate work, provided that such credits are earned within the calendar year prior to receipt of the baccalaureate. For procedures, inquire at the Office of Graduate Studies.

Course work taken prior to receipt of the baccalaureate may not always be accepted for transfer to other institutions as graduate work.

Residency

Residency Requirement and Open Enrollment and Summer Independent Study Courses

Students must complete at least 30 of the 120 total hours for their degree at the University of Nebraska–Lincoln. Students must complete at least 1/2 of their major course work including 6 hours above 299 in their major, and 15 of the 30 hours required above 299 in residence. Credit earned during education abroad may be used toward the residency requirement if students register through the University and participate in prior-approved education abroad programs. The University of Nebraska–Lincoln open enrollment and summer independent study courses count toward residence.

ACE Requirements

Consistent with the mission and values of the University, ACE is based on a shared set of four institutional objectives and ten student learning outcomes. The ACE program was approved by faculty in all eight undergraduate colleges and endorsed by the Faculty Senate, the student government, and the Academic Planning Committee in January 2008 for implementation in the fall 2009. ACE aligns with current national initiatives in general education.

Key characteristics of ACE demonstrate the benefits of the program to students:

- Students receive a broad education with exposure to multiple disciplines, critical life skills and important reasoning, inquiry, and civic capacities.
- ACE is simple and transparent for students, faculty and advisors. Students complete the equivalent of 3 credit hours for each of the ten student learning outcomes.
- Students connect and integrate their ACE experiences with their selected major.
- Students can transfer all ACE certified courses across colleges within the institution to meet the ACE requirement and any course from outside the institution that is directly equivalent to a University of Nebraska–Lincoln ACE-certified course. Courses from outside institutions without direct equivalents may be considered with appropriate documentation for ACE credit (see academic advisor).

ACE allows faculty to assess and improve their effectiveness and facilitate students' learning.

ACE Institutional Objectives and Student Learning Outcomes

To meet the ACE Program requirement, a student will complete a minimum of 3 credit hours for each of the ten ACE Student Learning Outcomes (a total of 30 ACE credit hours). See the ACE website at: <http://ace.unl.edu> for the most current information and the most recently certified courses.

Catalog Rule

Students must fulfill the requirements stated in the catalog for the academic year in which they are first admitted to and enrolled as a degree-seeking student at the University of Nebraska–Lincoln. In consultation with advisors, a student may choose to follow a subsequent catalog for any academic year in which they are admitted to and enrolled as a degree-seeking student at Nebraska in the College of Arts and Sciences. Students must complete all degree requirements from a single catalog year. Beginning in 1990-1991 the catalog which a student follows for degree requirements may not be more than 10 years old at the time of graduation.

Requirements for Minor Offered by Department

Eighteen (18) hours including 6 hours at the 300 or 400 level. No more than 6 hours from one department.

Required Course

GPSP 170 / ANTH 170 / GEOG 170 / NRES 170 / SOCL 170	Introduction to Great Plains Studies	3
--	--------------------------------------	---

Credit Hours Subtotal: 3

Themes

Select two courses from each of two of the themes below: 12

Arts and Literature

AHIS 252	American Art 1865-1945
AHIS 451	19th-Century American Art
AHIS 452	American Art, 1893-1939

ANTH 419	Art and Anthropology of Native North Americans
ENGL 211	Literature of Place
ENGL 244 / ETHN 244	African American Literature since 1865
ENGL 245N / ETHN 245N	Introduction to Native American Literature
ENGL 317	Literature and the Environment
ENGL 333A	Willa Cather and Her World
ENGL 347	Humanities on the Plains
ENGL 405K	Canadian Fiction
ENGL 445N / ETHN 445N	Topics in Native American Literature
MUSC 489	American Music
<i>Culture and Community</i>	
ANTH 130	Anthropology of the Great Plains
ANTH 350 / ETHN 350	Peoples and Cultures of Native Latin America
ANTH 351 / ETHN 351	Indigenous Peoples of North America
ANTH 352 / ETHN 352	Indigenous Peoples of the Great Plains
ANTH 434	Introduction to Great Plains Archaeology
ANTH 451 / ETHN 451	Contemporary Issues of Indigenous Peoples in North America
GEOG 334	Historical Geography of the Great Plains
GEOG 435	Cultural Survival: Indigenous People's Rights
GPSP 377 / GEOG 377 / WMNS 377	Women of the Great Plains
GPSP 378 / COMM 378	Cultural Encounters on the Great Plains
HIST 241 / ETHN 241	Native American History
HIST 342 / ETHN 342	History of Plains Indians
HIST 356 / ETHN 356 / WMNS 356	African-American Women's History
HIST 357 / ETHN 357 / LAMS 357	Mexican-American History
HIST 358 / ETHN 358 / WMNS 358	Native American Women
HIST 359	The Mythic West
HIST 360	History of Nebraska and the Great Plains
POLS 225	Nebraska Government and Politics
<i>Land and Environment</i>	
AECN 265 / NREE 265	Resource and Environmental Economics I
AECN 276 / SOCL 241	Rural Sociology
AECN 345	Policy Issues in Agriculture and Natural Resources

AECN 388 / ALEC 388	Ethics in Agriculture and Natural Resources	
AGRO 153 / HORT 153 / SOIL 153	Soil Resources	
AGRO 228 / HORT 228 / TLMT 228	Introduction to Landscape Management	
AGRO 242 / HORT 242 / RNGE 242	North American Wildland Plants	
AGRO 440 / NRES 440 / RNGE 440	Great Plains Ecosystem	
BIOS 232	Ecological Issues in the Great Plains	
ENVR 201	Science, Systems, Environment and Sustainability	
GEOG 370	Geography of Nebraska	
HORT 495 / AGRO 495 / ENTO 495 / GRAS 495 / NRES 495 / RNGE 495 / SOIL 495	Grasslands Seminar	
NRES 220	Principles of Ecology	
NRES 310	Introduction to Forest Management	
NRES 452 / AGRO 450 / GEOG 450 / METR 450	Climate and Society	
Credit Hours Subtotal:		12
Great Plains Course at Large		
Select one additional course from the themes above or from the list below:		3
AECN 201	Farm and Ranch Management	
AECN 376	Rural Community Economics	
AECN 456 / NREE 456	Environmental Law	
AECN 457 / NREE 457 / WATS 457	Water Law	
AGRO 240 / RNGE 240	Forage Crop and Pasture Management	
AGRO 326 / HORT 326 / TLMT 326	Landscape Solutions	
AGRO 442 / RNGE 442 / NRES 442	Wildland Plants	
ANTH 290	Fieldwork	
ANTH 433	North American Archaeology	
ANTH 454	Ethnographic Field School (Great Plains Sections)	
BIOS 470	Prairie Ecology (Cedar Point)	
BIOS 475	Avian Biology (Cedar Point)	

BIOS 476 / NRES 476	Mammalogy	
BIOS 482 / ENTO 482	Field Entomology (Cedar Point)	
BIOS 487	Field Parasitology (Cedar Point)	
BIOS 489 / NRES 489	Ichthyology (Cedar Point)	
ENGL 261	American Literature since 1865	
ENGL 345N / ETHN 345N / WMNS 345N	Native American Women Writers	
ENVR 319	Environmental Engagement and the Community	
GEOG 271	Geography of the United States	
GEOG 467 / AGRO 477 / NRES 477 / SOIL 477	Great Plains Field Pedology	
GEOL 457 / BIOS 457	Ecosystem Ecology	
GPSP 399	Independent Directed Readings	
GPSP 399H	Honors Course	
GPSP 495	Internship	
HIST 244	19th Century America	
HIST 247 / ETHN 247	African American History: After 1877	
HIST 346	North American Environmental History	
HIST 363 / WMNS 363	History of Women and Gender in the American West	
HIST 464 / ETHN 464	Native American History: Selected Topics	
NRES 417 / HORT 418	Agroforestry Systems in Sustainable Agriculture	
SOCI 217 / ETHN 217	Sociology of Race and Ethnicity	
SOCI 346	Environmental Sociology	
Credit Hours Subtotal:		3
Total Credit Hours		18

Grade Rules

C- and D Grades

A grade of C or above is required for all courses in the minor.

Pass/No Pass

No course taken Pass/No Pass will be counted toward the minor.

GPSP 170 Introduction to Great Plains Studies

Crosslisted with: ANTH 170, GEOG 170, NRES 170, SOCI 170

Description: Interdisciplinary study of the natural environment, social environment, human heritage, arts and humanities of the Great Plains.

Credit Hours: 3

Max credits per semester: 3

Max credits per degree: 3

Format: LEC

Groups: Regional Geography

GPSP 291 Special Topics in Great Plains Studies

Description: Topics vary

Credit Hours: 3

Max credits per semester: 3

Max credits per degree: 12

Format: LEC

GPSP 377 Women of the Great Plains

Crosslisted with: GEOG 377, WMNS 377

Description: The intersection of gender, identity, power, and representation throughout time and space in the Great Plains of the United States and Canada.

Credit Hours: 3

Max credits per semester: 3

Max credits per degree: 3

Format: LEC

ACE: ACE 9 Global/Diversity ACE 5 Humanities

GPSP 378 Cultural Encounters on the Great Plains

Crosslisted with: COMM 378

Description: Inter-cultural encounters which have occurred on the Great Plains with a focus on American Indians, African, African-American, Latino, Asian, South Asian, and European cultures.

Credit Hours: 3

Max credits per semester: 3

Max credits per degree: 3

Format: LEC

ACE: ACE 9 Global/Diversity

GPSP 399 Independent Directed Readings

Credit Hours: 1-3

Min credits per semester: 1

Max credits per semester: 3

Max credits per degree: 3

Format: IND

GPSP 399H Honors Course

Prerequisites: Permission.

Notes: Must be taken under the direction of a faculty fellow of the Center for Great Plains Studies.

Credit Hours: 1-3

Min credits per semester: 1

Max credits per semester: 3

Max credits per degree: 3

Format: IND

GPSP 495 Internship

Crosslisted with: GPSP 895

Prerequisites: Junior or senior standing; and permission.

Notes: P/N only.

Credit Hours: 1-6

Min credits per semester: 1

Max credits per semester: 6

Max credits per degree: 6

Format: FLD
