

# HUMAN RIGHTS & HUMANITARIAN AFFAIRS MINOR

## Description

The Forsythe Family Program on Human Rights and Humanitarian Affairs is an interdisciplinary program with an international focus. This minor is for students with an interest in international human rights, the development of the idea and practice of human rights over time, and in the political and philosophical tensions that arise between the protection of human rights and other goals, like the idea of respecting cultural diversity, maintaining a national identity, or protecting the security of citizens.

## College Requirements

### College Admission

#### College Admission

The entrance requirements for the College of Arts and Sciences are the same as the UNL General Admission Requirements. Students who are admitted through the Admission by Review process may have certain conditions attached to their enrollment at UNL. These conditions are explained under "Removal of Deficiencies."

In addition to these requirements, the College of Arts and Sciences strongly recommends a third and fourth year of languages. Four years of high school language will exempt students from the College of Arts and Sciences' language requirement. It will also allow students to continue language study at a more advanced level, and give more opportunity to study abroad.

#### Transfer Students

To be considered for admission as a transfer student, Nebraska resident or nonresident, students must have an accumulated average of C (2.0 on a 4.0 scale) and a minimum C average in the last semester of attendance at another college. Transfer students who graduated from high school January 1997 and after must also meet the UNL General Admissions Requirements. Those transfer students who graduated before January 1997 must have completed in high school 3 years of English, 2 years of the same foreign language, 2 years of algebra, and 1 year of geometry. Transfer students who have completed less than 12 credit hours of college study must submit either the ACT or SAT scores.

Ordinarily, hours earned at an accredited college are accepted by the University. The College, however, will evaluate all hours submitted on an application for transfer and reserves the right to accept or reject any of them. Sixty is the maximum number of hours the University will accept on transfer from a two-year college or international institution. Transfer credit in the major or minor must be approved by the departmental advisor on a Request for Substitution Form to meet specific course requirements, group requirements, or course level requirements in the major or minor. At least half of the hours in the major field must be completed at the University regardless of the number of hours transferred.

The College of Arts and Sciences will accept no more than 15 semester hours of C- and D grades from other schools. The C- and D grades cannot be applied toward requirements for a major or minor. This policy does not apply to the transfer of grades from UNO or UNK to UNL. All D grades

may be transferred from UNO or UNK, but they are not applicable to a major or minor.

#### Readmitted Students

Students readmitted to the College of Arts and Sciences will follow the requirements stated in the bulletin for the academic year of readmission and reenrollment as a degree-seeking student in Arts and Sciences. In consultation with advisors, a student may choose to follow a bulletin for any academic year in which they are admitted to and enrolled as a degree-seeking student at UNL in the College of Arts and Sciences. Students must complete all degree requirements from a single bulletin year. Beginning in 1990-1991, the bulletin which a student follows for degree requirements may not be more than 10 years old at the time of graduation.

#### Admission Deficiencies/Removal of Deficiencies

Students must remove entrance deficiencies in geometry and foreign language before graduating from the College of Arts and Sciences and should consult a college advisor in the Academic and Career Advising Center in 107 Oldfather Hall for questions about admission deficiencies.

#### Removing Foreign Language Deficiencies

Students must complete the second semester of the first year language sequence to clear the deficiency and the second semester of the second year language sequence to complete the college graduation requirement in language.

#### Removing Geometry Deficiencies

A deficiency of one year of geometry can be removed by taking two high school geometry courses by Independent Study or by completing a geometry course from an accredited community college or a four-year institution. Neither of these options count for college credit.

## College Degree Requirements

### College General Education Requirements

The College of Arts and Sciences distribution requirements are designed to further the purposes of liberal education by encouraging study in several different areas. Courses satisfying these requirements may impart specialized knowledge or broadly connect the subject matter to other areas of knowledge.

All requirements are in addition to University ACE requirements. A student may not use a single course to satisfy more than one of the following five distribution requirements. A student cannot use a single course to satisfy both an ACE outcome and a College distribution requirement. A student cannot use a course from their major to satisfy the Breadth Requirement (F), but may apply an ancillary requirement of the primary major or a course from their second major toward this requirement. Independent study or reading courses and internships cannot be used to satisfy distribution requirements. To see a complete list of excluded courses, run a degree audit through MyRED.

Courses from interdisciplinary programs will count in the same area as courses from the home/cross-listed department(s).

### Bachelor of Arts or Bachelor of Science (16 credits + Language)

#### A. Written Communication: 3 hours

To be selected from courses approved for ACE outcome 1.

#### B. Natural, Physical and Mathematical Sciences: 4 hours

Select from biochemistry, biological sciences, chemistry, computer science, geology, meteorology, mathematics, physics and statistics. Must include one lab in the natural or physical sciences. Lab courses may be selected from biochemistry, biological sciences, chemistry,

geology, meteorology and physics. Select courses from geography<sup>1</sup> and anthropology\* may also be used to satisfy the lab requirement.

**C. Humanities: 3 hours**

Select from: classics<sup>2</sup>, English, history, modern languages and literatures<sup>2</sup>, philosophy, and religious studies<sup>2</sup>.

**D. Social Sciences: 3 hours**

Select from: anthropology<sup>3</sup>, communication studies, geography<sup>3</sup>, political science, psychology<sup>3</sup>, or sociology.

**E. Languages Classical and Modern: 0-6 hours**

Fulfilled by the completion of the 6-credit-hour second-year sequence in a single foreign language in one of the following departments: Classics and religious studies, modern languages and literatures, or anthropology. Instruction is currently available in Arabic, Chinese, Czech, French, German, Greek, Japanese, Latin, Omaha, Russian, and Spanish. A student who has completed the fourth-year level of one foreign language in high school is exempt from the languages requirement.

**F. Additional Breadth Requirement (may not be used toward the primary major; may apply toward ancillary requirements and second majors): 3 hours**

Select from: natural, physical and mathematical sciences (Area B), humanities (Area C), or social sciences (Area D).

<sup>1</sup> See your degree audit or a College of Arts and Sciences advisor for approved geography and anthropology courses that apply as natural science.

<sup>2</sup> Language courses numbered 210 or below apply only for the foreign language requirement.

<sup>3</sup> See degree audit or College of Arts and Sciences advisor for list of natural/physical science courses in anthropology, geography, and psychology that do not apply as social science.

### Scientific Base

The bachelor of science degree requires students to complete 60 hours in mathematical, physical and natural sciences. Approved courses for scientific base credit come from the following College of Arts and Sciences disciplines: actuarial science, anthropology (selected courses), astronomy, biochemistry (excluding BIOC 101 Career Opportunities in Biochemistry), biological sciences (excluding CASC 160 Introduction to Dentistry and Dental Hygiene, BIOS 160 Introduction to Clinical Laboratory Science, BIOS 203 Bioethics), chemistry (excluding CHEM 101 Career Opportunities in Chemistry), computer science (excluding CSCE 10 Introduction to CSE), geography (selected courses), geology, life sciences, mathematics (excluding courses below MATH 104 Applied Calculus), meteorology, physics and statistics.

See your degree audit or a College of Arts and Sciences advisor for a complete list including individual classes that fall outside of the disciplines listed above. Up to 12 hours of scientific and technical courses offered by other colleges may be accepted toward this requirement with approval of a college advisor.

### Foreign Languages/Language Requirement Languages Exemption Policy

UNL and the College of Arts and Sciences will exempt or waive students from the UNL entrance requirement of two years of the same foreign language or from the College's language distribution requirement based on documentation only. The following are the options and procedures for documentation:

### High School Transcripts

1. For the University entrance requirements, students must show an official high school transcript with two or more years of the same foreign language in high school.
2. For the College of Arts and Sciences College Distribution Requirement E-Language, students must show an official high school transcript with four or more years of the same foreign language in high school, or show evidence of graduation from a non-English-speaking foreign high school.
3. For the College of Arts and Sciences College Distribution Requirement E-Language, students whose native language is not English must show English as a Second Language study on an official high school transcript. Four years of ESL at the high school level (9th, 10th, 11th and 12th grades) will be the basis for a waiver of the CDR E Language requirement.

### Proficiency Examination at UNL

1. For the University entrance requirement, students who do not have transcript documentation can request to take a proficiency exam in the language. (*This is not the same test as the Modern Languages Placement Exam.*) However, UNL will provide testing only in the languages it teaches. Currently, these languages are:

Arabic  
French  
German  
Spanish  
Russian  
Czech  
Japanese  
Chinese

The Department of Modern Languages will oversee the test and provide written documentation to the Arts and Sciences Advising Center that the student has passed the proficiency test at the 102 level.

2. For the College of Arts and Sciences College Distribution Requirement E-Language, the Department of Modern Languages will oversee the test at the 202 level. If the student passes the test, the department will sign the College Request for Waiver form and indicate the level of proficiency. The form is then forwarded to the Arts and Sciences Advising Center for approval.

### Distance Education

1. For the University entrance requirement, students without transcript documentation who claim proficiency in a language not taught at UNL, have the option of seeking out a distance education program in languages. If the student completes the equivalent of 102 from an approved distance education program, the student will meet the UNL entrance requirement. The student must have the course work approved before he/she takes/completes the course as equivalent to 102 by a College advisor. The student then completes the course and has the distance education program send the transcript to the Admissions Office.
2. For the College of Arts and Sciences College Distribution Requirement E-Language, the student can seek out a distance education program and complete the equivalent of the 202-level course. The student must submit the request on the College Request for Substitution form and have the course work approved by a College advisor. The student then completes the course and has the distance education program send the transcript to the Admissions Office.

### Third Language Option

If a student demonstrates knowledge of two foreign languages at the 102 level, the College of Arts and Sciences may consider waiving two semesters of the four semester College Distribution Requirements E-Languages requirement. If this waiver were granted, the student would then be required to complete 101 and 102 in another (3rd language) at UNL.

### Minimum Hours Required for Graduation

A minimum of 120 semester hours of credit is required for graduation from the College of Arts and Sciences. A total grade point average of at least 2.0 is required.

### Grade Rules

#### Restrictions on C- and D Grades

The College will accept no more than 15 semester hours of C- and D grades from other schools except for UNO and UNK. No transfer C- and D grades can be applied toward requirements in a major or a minor. No UNL C- and D grades can be applied toward requirements in a major or a minor.

#### Pass/No Pass Privilege

University regulations for the Pass/No Pass (P/N) privilege state:

- The Pass/No Pass option is designed for your use by seeking to expand your intellectual horizons by taking courses in areas where you may have had minimal preparation.

For students in Arts and Sciences, the University regulations for Pass/No Pass apply as follows:

- Neither the P nor the N grade contribute to your GPA.
- P is interpreted to mean C or above.
- A change to or from a Pass/No Pass may be made until mid-term (1/2 of the course).
- The Pass/No Pass or grade registration cannot conflict with the policy of the professor, department, college, or University governing the grading option.
- Changing to or from Pass/No Pass requires using the MyRED system to change the grading option or filing a Drop/Add form with the Office of the University Registrar, 107 Canfield Administration Building. After mid-term of the course, a student registered for Pass/No Pass cannot change to a grade registration unless the Pass/No Pass registration is in conflict with the policy of the professor, department, college, or University governing Pass/No Pass.
- The Pass/No Pass grading option cannot be used for the removal of C- or D or F grades.

Pass/No Pass privileges in the College of Arts and Sciences are extended to students according to the following additional regulations:

- Pass/No Pass hours can count toward fulfillment of University ACE requirements and college distribution requirements up to the 24-hour maximum.
- Many Arts and Sciences departments and programs do not allow courses in the major or minor to be taken Pass/No Pass; students should refer to the department's or program's section of the bulletin for clarification. By college rule, departments can allow up to 6 hours of Pass/No Pass in the major or minor.
- Departments may specify that certain courses of theirs can be taken only on a P/N basis.
- The college will permit no more than a total of 24 semester hours of P/N grades to be applied toward degree requirements. This total

includes all Pass grades earned at UNL and other U.S. schools. **NOTE:** This 24-hour limit is more restrictive than the University regulation.

Students who wish to apply P/N hours to their major and minor(s) must obtain approval on a form that is available in the Arts and Sciences Advising Center, 107 Oldfather Hall.

### Grading Appeals

A student who feels that he/she has been unfairly graded must ordinarily take the following sequential steps in a timely manner, usually by initiating the appeal in the semester following the awarding of the grade:

1. Talk with the instructor concerned. Most problems are resolved at this point.
2. Talk to the instructor's department chairperson.
3. Take the case to the Grading Appeal Committee of the department concerned. The Committee should be contacted through the department chairperson.
4. Take the case to the College Grading Appeals Committee by contacting the Dean's Office, 1223 Oldfather Hall.

### Course Level Requirements

#### Courses Numbered above 299

Thirty of the 120 semester hours of credit must be in courses numbered above 299. Of the 30 hours above 299, 15 hours (1/2) must be completed in residence at UNL. **NOTE:** ALEC 397E and ALEC 397K do not count toward these 30 hours.

### Graduate Courses

Seniors in the University who have obtained in advance the approval of the dean for Graduate Studies may receive up to 12 hours credit for graduate courses taken in addition to the courses necessary to complete their undergraduate work, provided that such credits are earned within the calendar year prior to receipt of the baccalaureate. For procedures, inquire at the Office of Graduate Studies.

Course work taken prior to receipt of the baccalaureate may not always be accepted for transfer to other institutions as graduate work.

### Residency

#### Residency Requirement and Open Enrollment and Summer Independent Study Courses

Students must complete at least 30 of the 120 total hours for their degree at UNL. Students must complete at least 1/2 of their major course work including 6 hours above 299 in their major, and 15 of the 30 hours required above 299 in residence. Credit earned during education abroad may be used toward the residency requirement if students register through UNL and participate in prior-approved education abroad programs. UNL open enrollment and summer independent study courses count toward residence.

### ACE Requirements

Consistent with the mission and values of the University, ACE is based on a shared set of four institutional objectives and 10 student learning outcomes. The ACE program was approved by faculty in all eight undergraduate colleges and endorsed by the Faculty Senate, the student government, and the Academic Planning Committee in January 2008 for implementation in the fall 2009. ACE aligns with current national initiatives in general education.

Key characteristics of ACE demonstrate the benefits of the program to students:

- Students receive a broad education with exposure to multiple disciplines, critical life skills and important reasoning, inquiry, and civic capacities.
- ACE is simple and transparent for students, faculty and advisors. Students complete the equivalent of 3 credit hours for each of the ten student learning outcomes.
- Students connect and integrate their ACE experiences with their selected major.
- Students can transfer all ACE certified courses across colleges within the institution to meet the ACE requirement and any course from outside the institution that is directly equivalent to a UNL ACE-certified course. Courses from outside institutions without direct equivalents may be considered with appropriate documentation for ACE credit (see academic advisor).

ACE allows faculty to assess and improve their effectiveness and facilitate students' learning.

### ACE Institutional Objectives and Student Learning Outcomes

To meet the ACE Program requirement, a student will complete a minimum of 3 credit hours for each of the ten ACE Student Learning Outcomes (a total of 30 ACE credit hours). See the ACE website at: <http://ace.unl.edu> for the most current information and the most recently certified courses.

### Bulletin Rule

Students must fulfill the requirements stated in the bulletin for the academic year in which they are first admitted to and enrolled as a degree-seeking student at UNL. In consultation with advisors, a student may choose to follow a subsequent bulletin for any academic year in which they are admitted to and enrolled as a degree-seeking student at UNL in the College of Arts and Sciences. Students must complete all degree requirements from a single bulletin year. Beginning in 1990-1991 the bulletin which a student follows for degree requirements may not be more than 10 years old at the time of graduation.

## Requirements for Minor Offered by Department

Eighteen (18) hours of courses from at least two departments<sup>1</sup> as follows:

#### List A

Select 9 hours from the following:	9
ANTH 353	Anthropology of War
ANTH 476	Human Rights, Environment, and Development
HIST 225 / WMNS 225	Women in History
HIST 339 / JUDS 339	The Holocaust
POLS 281	Challenges to the State
POLS 361	The United Nations and World Politics
POLS 362	Globalization, Human Rights and Diversity
POLS 384	Liberalism and Its Critics
POLS 469	International Law
POLS 470	International Human Rights <sup>2</sup>
POLS 472	State Terror
SOCI 217 / ETHN 217	Sociology of Race and Ethnicity

SOCI 481 / ETHN 481

Minority Groups

WMNS 101 Introduction to Women's and Gender Studies

Credit Hours Subtotal: 9

#### List B

Select 6 hours from the following: 6

ANTH 350 / ETHN 350

Peoples and Cultures of Native Latin America

ANTH 351 / ETHN 351

Indigenous Peoples of North America

ANTH 352 / ETHN 352

Indigenous Peoples of the Great Plains

ANTH 362 / ETHN 362

Peoples and Cultures of Africa

ANTH 366

Peoples and Cultures of East Asia

ANTH 410 / WMNS 410

Gender: An Anthropological Perspective

ANTH 442

Human Variation

ANTH 451 / ETHN 451

Contemporary Issues of Indigenous Peoples in North America

ANTH 472

Belief Systems: Animism to Zombies

ANTH 474

Applied and Development Anthropology

ANTH 478 / GEOG 478 / HIST 478 / LAMS 478 / POLS 478 / SOCI 478

Pro-seminar in Latin American Studies

COMM 465

Communication and Social Identity

ENGL 212 / WMNS 212

Introduction to LGBTQ Literature

ENGL 244 / ETHN 244

African American Literature since 1865

ENGL 244A / ETHN 244A

Introduction to African Literature

ENGL 445 / ETHN 445

Ethnic Literature (when taught as studies in the African Diaspora)

GLST 494

Seminar in Global Studies

HIST 171 / ETHN 171

History of Latin America

HIST 241 / ETHN 241

Native American History

HIST 329 / MRST 329 / WMNS 329

Women in European History

HIST 333 / JUDS 333 / RELG 333

Jews in the Modern World

HIST 356 / ETHN 356 / WMNS 356

African-American Women's History

HIST 387

The Enlightenment

HIST 429

History of Fascism in Europe

HIST 441 / WMNS 441

Seminar in U.S. Women's and Gender History

HIST 464 / ETHN 464	Native American History: Selected Topics	
HIST 480	Issues in Modern Chinese History	
HIST 486 / ETHN 486	History of South Africa	
MODL 454 / RUSS 454	Russian Intellectual Tradition	
PHIL 221	Political Philosophy	
PHIL 325 or PHIL 425	Advanced Social Political Philosophy Political and Social Philosophy	
POLS 238 / ETHN 238	Blacks and the American Political System	
POLS 277 / ETHN 277 / LAMS 277	Latin American Politics	
POLS 383	Justice and the Good Life	
POLS 386	Truth and Progress	
POLS 476 / JUDS 476	Ethnic Conflict and Identity	
POLS 477 / JUDS 477	Israel and the Middle East	
SOCI 200	Gender in Contemporary Society	
SOCI 448 / ETHN 448	Family Diversity	
WMNS 201	Introduction to Lesbian, Gay, Bisexual, Trans- gender, Queer/Sexuality Studies	
Credit Hours Subtotal:		6
<b>Capstone</b>		
Select one of the following:		3
HRHA 400	Human Rights Capstone	
POLS 470	International Human Rights <sup>2</sup>	
Credit Hours Subtotal:		3
Total Credit Hours		18

<sup>1</sup> Cross-listed courses count in the instructor's department.

<sup>2</sup> If a course is taken as a capstone course, it may not also meet other requirements within the minor.

## Grade Rules

### C- and D Grades

A grade of C or above is required for all courses in the minor.

### Pass/No Pass

No course taken Pass/No Pass will be counted toward the minor.

#### HRHA 400 Human Rights Capstone

**Description:** Service-learning experience related to human rights and human diversity (locally, nationally, or internationally).

**Credit Hours:** 3

**Max credits per semester:** 3

**Max credits per degree:** 3

**Format:** IND
