Women’s and Gender Studies

Description

The women’s and gender studies (WGS) major is a multidisciplinary academic program with courses that focus on knowledge relating to women, gender, and sexuality.

The program is designed to help students to learn about historical and contemporary contributions of women and to analyze the construction and representation of gender in the arts, literature, history, psychology, education, contemporary culture, politics, and society. Students are challenged to examine critically assumptions about women and gender held by academic disciplines and to evaluate them based on current research and individual experience. Students also explore sex roles, gender systems, and sexuality in various cultures as they change over time.

Program Assessment. In order to assist the department in evaluating the effectiveness of its programs, majors will be required:

1. To submit for assessment during WMNS 400 Senior Seminar an electronic portfolio of student work including:
   a. a critical synthetic overview of the items in the portfolio;
   b. an assignment from a WGS history class + critical reflection;
   c. an assignment from a WGS social sciences class + critical reflection;
   d. an assignment from a WGS literature/film class + critical reflection;
   e. an assignment from WMNS 485 + critical reflection; and
   f. the final paper/project from WMNS 400.
   NOTE: If a student has written an undergraduate thesis (through WGS or the honors program) on women, gender, and/or sexuality, this should be included as well.

2. In their last semester, to return an anonymous survey regarding the WGS program and, if the student wishes, to participate in an exit interview with the director or associate director.

Results of participation in this assessment activity will in no way affect a student’s GPA or graduation.

College Requirements

College Admission

College Admission

The entrance requirements for the College of Arts and Sciences are the same as the UNL General Admission Requirements. Students who are admitted through the Admission by Review process may have certain conditions attached to their enrollment at UNL. These conditions are explained under “Removal of Deficiencies.”

In addition to these requirements, the College of Arts and Sciences strongly recommends a third and fourth year of one foreign language. Four years of high school coursework in the same language will fulfill the College of Arts and Sciences’ language requirement. It will also allow students to continue language study at a more advanced level at UNL, and provide more opportunity to study abroad.

Transfer Students

To be considered for admission as a transfer student, Nebraska resident or nonresident, students must have an accumulated average of C (2.0 on a 4.0 scale) and a minimum C average in the last semester of attendance at another college. Transfer students who graduated from high school January 1997 and after must also meet the UNL General Admission Requirements. Those transfer students who graduated before January 1997 must have completed in high school, 3 years of English, 2 years of the same foreign language, 2 years of algebra, and 1 year of geometry. Transfer students who have completed less than 12 credit hours of college study must also submit either their ACT or SAT scores.

Ordinarily, hours earned at a similarly accredited college or university are applicable to the UNL degree. The College, however, will evaluate all hours submitted on an application for transfer, and reserves the right to accept or reject any of them, based upon its exclusion and restriction policies. Sixty is the maximum number of hours the University will accept on transfer from a two-year college or international institution. Transfer credit in the major or minor must be approved by the departmental advisor on a Request for Substitution Form to meet specific course requirements, group requirements, or course level requirements in the major or minor. At least half of the hours in the major field must be completed at the University regardless of the number of hours transferred.

The College of Arts and Sciences will accept no more than 15 semester hours of C- and D grades from other schools. The C- and D grades cannot be applied toward requirements for a major or minor. This policy does not apply to the transfer of grades from UNO or UNK to UNL. All D grades may be transferred from UNO or UNK, but they are not applicable to a major or minor.

Readmitted Students

UNL students who choose not to take courses for more than 2 consecutive terms, must reapply to UNL. Students readmitted to the College of Arts and Sciences will follow the requirements stated in the catalog for the academic year of readmission and re-enrollment as a degree-seeking student in Arts and Sciences. In consultation with advisors, a student may choose to follow a catalog for any academic year in which they are admitted to and enrolled as a degree-seeking student at UNL in the College of Arts and Sciences. Students must complete all degree requirements from a single catalog year. Beginning in 1990-1991, the catalog which a student follows for degree requirements may not be more than 10 years old at the time of graduation.

Admission Deficiencies/Removal of Deficiencies

Students must remove entrance deficiencies in geometry and foreign language as soon as possible, and before graduating from the College of Arts and Sciences. For questions and more information, students should consult a college advisor in the Academic and Career Advising Center in 107 Oldfather Hall.

Removing Foreign Language Deficiencies

Students must complete the second semester of a first year language sequence to clear the deficiency and the second semester of the second year language sequence to complete the college graduation requirement in language.

Removing Geometry Deficiencies

A deficiency of one year of geometry can be removed by taking high school geometry courses through an approved independent study program, or by completing a geometry course from an accredited
Courses from interdisciplinary programs will count in the same area as audit through MyRED requirements. To see a complete list of excluded courses, run a degree reading courses and internships cannot be used to satisfy distribution requirements. May apply an ancillary requirement of the primary major or a course and a college distribution requirement. A student cannot use a course A student cannot use a single course to satisfy both an ACE outcome and further the purposes of liberal education by encouraging study in several different areas within the College. All requirements are in addition to University ACE requirements. A student may not use a single course to satisfy more than one of the following five distribution requirements. A student cannot use a single course to satisfy both an ACE outcome and a college distribution requirement. A student cannot use a course from their primary major to satisfy the breadth requirement (F), but may apply an ancillary requirement of the primary major or a course from their second major toward this requirement. Independent study or reading courses and internships cannot be used to satisfy distribution requirements. To see a complete list of excluded courses, run a degree audit through MyRED.

Courses from interdisciplinary programs will count in the same area as courses from the home/cross-listed department(s).

Credit Hours Subtotal: 16-32

1. See degree audit or a College of Arts and Sciences advisor for approved geography and anthropology courses that apply as natural science.
2. Language courses numbered 210 or below apply only for the foreign language requirement.
3. See degree audit or College of Arts and Sciences advisor for list of natural/physical science courses in anthropology, geography, and psychology that do not apply as social science.

**Scientific Base**

**Bachelor of Science Only (60 hours)**

The bachelor of science degree requires students to complete 60 hours in mathematical, physical and natural sciences. Approved courses for scientific base credit come from the following College of Arts and Sciences disciplines: actuarial science, anthropology (selected courses), astronomy, biochemistry (excluding BIOS 101), biological sciences (excluding BIOS 203), chemistry (excluding CHEM 101), computer science (excluding CSCE 10), geography (selected courses), geology, life sciences, mathematics (excluding courses below MATH 104), meteorology, microbiology, physics and statistics.

See your degree audit or a College of Arts and Sciences advisor for a complete list including individual classes that fall outside of the disciplines listed above. Up to 12 hours of scientific and technical courses offered by other colleges may be accepted toward this requirement with approval of a college advisor.

**Foreign Languages/Language Requirement**

**Languages Exemption Policy**

UNL and the College of Arts and Sciences will exempt or waive students from the UNL entrance requirement of two years of the same foreign language or from the College’s language distribution requirement based on documentation only. The following are the options and procedures for documentation:

**High School Transcripts**

For the University entrance requirement, students must show an official high school transcript with two or more years of the same foreign language.

For the College of Arts and Sciences College Distribution Requirement E-Language, students must show an official high school transcript with four or more years of the same foreign language in high school, or show evidence of graduation from a non-English-speaking foreign high school. Students whose native language is not English must show English as a Second Language study on an official high school transcript. Four years of ESL at the high school level (9th, 10th, 11th and 12th grades) will be the basis for a waiver of the CDR E Language requirement.

**Proficiency Examination at UNL**

For the University entrance requirement, students who do not have transcript documentation can request to take a proficiency exam in the language. (This is not the same test as the Modern Languages Placement Exam.) However, UNL will provide testing only in the languages it teaches. Currently, these languages are: Arabic, French, German, Spanish, Russian, Czech, Japanese, Chinese.

For the College of Arts and Sciences College Distribution Requirement E-Language, the Department of Modern Languages will oversee the test at the 202 level. If the student passes the test, the department will sign the College Request for Waiver form and indicate the level of proficiency. The form is then forwarded to the Arts and Sciences Advising Center for approval.
The Department of Modern Languages will oversee the test and provide written documentation to the Arts and Sciences Advising Center the level of proficiency passed.

Distance Education
For the University entrance requirement, students without transcript documentation who claim proficiency in a language not taught at UNL, have the option of seeking out a distance education program in languages. If the student completes the equivalent of 102 from an approved distance education program, the student will meet the UNL entrance requirement. The student must have the course work approved before he/she takes/completes the course as equivalent to 102 by a College advisor. The student then completes the course and has the distance education program send the transcript to the Admissions Office.

For the College of Arts and Sciences College Distribution Requirement E-Language, the student can seek out a distance education program and complete the equivalent of the 202-level course. The student must submit the request on the College Request for Substitution form and have the course work approved by a College advisor. The student then completes the course and has the distance education program send the transcript to the Admissions Office.

Third Language Option
If a student demonstrates knowledge of two foreign languages at the 102 level, the College of Arts and Sciences may consider waiving two semesters of the four semester College Distribution Requirement E-Language requirement. If this waiver were granted, the student would then be required to complete 101 and 102 in another, 3rd foreign language at UNL.

Minimum Hours Required for Graduation
A minimum of 120 semester hours of credit is required for graduation from the College of Arts and Sciences. A total grade point average of at least 2.0 is required.

Grade Rules
Restrictions on C- and D Grades
The College will accept no more than 15 semester hours of C- and D grades from other schools except for UNO and UNK. No transfer C- and D grades can be applied toward requirements in a major or a minor. No UNL C- and D grades can be applied toward requirements in a major or a minor.

Pass/No Pass Privilege
University regulations for the Pass/No Pass (P/N) privilege state:

- The Pass/No Pass option is designed for your use by seeking to expand your intellectual horizons by taking courses in areas where you may have had minimal preparation.
- Neither the P nor the N grade contribute to your GPA.
- P is interpreted to mean C or above.
- A change to or from a Pass/No Pass may be made until mid-term (see academic calendar for specific dates per term).
- The Pass/No Pass or grade registration cannot conflict with the policy of the professor, department, college, or University governing the grading option.
- Changing to or from Pass/No Pass requires using the MyRED system to change the grading option or filing a Drop/Add form with the Office of the University Registrar, 107 Canfield Administration Building. After mid-term of the course, a student registered for Pass/No Pass cannot change to a grade registration unless the Pass/No Pass registration is in conflict with the policy of the professor, department, college, or University governing Pass/No Pass.
- The Pass/No Pass grading option cannot be used for the removal of C- or D or F grades.

Pass/No Pass privileges in the College of Arts and Sciences are extended to students according to the following additional regulations:

- Pass/No Pass hours can count toward fulfillment of University ACE requirements and college distribution requirements up to the 24-hour maximum.
- Most Arts and Sciences departments and programs do not allow courses graded Pass/No Pass to apply to the major or minor. Students should refer to the department’s or program’s section of the catalog for clarification. By college rule, departments can allow up to 6 hours of Pass/No Pass in the major or minor.
- Departments may specify that certain courses of theirs can be taken only on a P/N basis.
- The college will permit no more than a total of 24 semester hours of P/N grades to be applied toward degree requirements. This total includes all Pass grades earned at UNL and other U.S. schools. NOTE: This 24-hour limit is more restrictive than the University regulation.

Grading Appeals
A student who feels that he/she has been unfairly graded must ordinarily take the following sequential steps in a timely manner, usually by initiating the appeal in the semester following the awarding of the grade:

1. Talk with the instructor concerned. Most problems are resolved at this point.
2. Talk to the instructor’s department chairperson.
3. Take the case to the Grading Appeal Committee of the department concerned. The Committee should be contacted through the department chairperson.
4. Take the case to the College Grading Appeals Committee by contacting the Dean’s Office, 1223 Oldfather Hall.

Course Level Requirements
Courses Numbered above 299
Thirty of the 120 semester hours of credit must be in courses numbered above 299. Of the 30 hours above 299, 15 hours (1/2) must be completed in residence at UNL.

Graduate Courses
Seniors in the University who have obtained in advance the approval of the dean for Graduate Studies may receive up to 12 hours credit for graduate courses taken in addition to the courses necessary to complete their undergraduate work, provided that such credits are earned within the calendar year prior to receipt of the baccalaureate. For procedures, inquire at the Office of Graduate Studies.

Course work taken prior to receipt of the baccalaureate may not always be accepted for transfer to other institutions as graduate work.

Residency
Residency Requirement and Open Enrollment and Summer Independent Study Courses
Students must complete at least 30 of the 120 total hours for their degree at UNL. Students must complete at least 1/2 of their major course work including 6 hours above 299 in their major, and 15 of the 30 hours required above 299 in residence. Credit earned during education abroad may be used toward the residency requirement if students
register through UNL and participate in prior-approved education abroad programs. UNL open enrollment and summer independent study courses count toward residence.

ACE Requirements

Consistent with the mission and values of the University, ACE is based on a shared set of four institutional objectives and ten student learning outcomes. The ACE program was approved by faculty in all eight undergraduate colleges and endorsed by the Faculty Senate, the student government, and the Academic Planning Committee in January 2008 for implementation in the fall 2009. ACE aligns with current national initiatives in general education.

Key characteristics of ACE demonstrate the benefits of the program to students:

- Students receive a broad education with exposure to multiple disciplines, critical life skills and important reasoning, inquiry, and civic capacities.
- ACE is simple and transparent for students, faculty and advisors. Students complete the equivalent of 3 credit hours for each of the ten student learning outcomes.
- Students connect and integrate their ACE experiences with their selected major.
- Students can transfer all ACE certified courses across colleges within the institution to meet the ACE requirement and any course from outside the institution that is directly equivalent to a UNL ACE-certified course. Courses from outside institutions without direct equivalents may be considered with appropriate documentation for ACE credit (see academic advisor).

ACE allows faculty to assess and improve their effectiveness and facilitate students’ learning.

ACE Institutional Objectives and Student Learning Outcomes

To meet the ACE Program requirement, a student will complete a minimum of 3 credit hours for each of the ten ACE Student Learning Outcomes (a total of 30 ACE credit hours). See the ACE website at: http://ace.unl.edu for the most current information and the most recently certified courses.

Catalog Rule

Students must fulfill the requirements stated in the catalog for the academic year in which they are first admitted to and enrolled as a degree-seeking student at UNL. In consultation with advisors, a student may choose to follow a subsequent catalog for any academic year in which they are admitted to and enrolled as a degree-seeking student at UNL in the College of Arts and Sciences. Students must complete all degree requirements from a single catalog year. Beginning in 1990-1991 the catalog which a student follows for degree requirements may not be more than 10 years old at the time of graduation.

Learning Outcomes

Majors in women’s and gender studies will be able to:

1. Synthesize material from diverse disciplines and experiences and apply a “gender lens” to reflect critically on women, gender, and/or sexuality.
2. Demonstrate knowledge of women, gender, and/or sexuality in history.
3. Indicate familiarity with women writers and women’s rhetoric as well as representations of gender and/or sexuality in literature/film studies.
4. Show comprehension of major issues regarding women, gender, and/ or sexuality in the social sciences.
5. Display an awareness of racial/ethnic identities or issues as they relate to women, gender, and/or sexuality (domestic and/or global context).
6. Demonstrate knowledge of a diversity of feminist theories and perspectives.
7. Analyze intersections of gender with other social identities such as race, religion, social class, ethnicity, nationality, age, physical ability, and/or sexual orientation.

Major Requirements

Option A. Thirty-six (36) hours from required courses and course listings.

Option B. Thirty (30) hours from required courses and course listings, and at least 18 hours in a related minor to be determined in consultation with the WGS chief advisor.

For either option, at least 12 hours must be at the 300 level or above.

Core Requirements

| WMNS 101 | Introduction to Women’s and Gender Studies | 3 |
| WMNS 400 | Senior Seminar (offered spring semester only) | 3 |
| WMNS 485 | Feminist Theories, Feminists’ Perspectives (offered fall semester only) | 3 |

Total Credit Hours 9

Diversity Requirement

Two courses outside the core requirements must meet the Diversity Requirement. This requirement promotes our objectives to critically examine cultural assumptions about gender, race/ethnicity, class, sexuality, and other sources of identity. One course must satisfy the racial/ethnic/global diversity requirement (denoted by footnote 1). The additional course can come from either the sexual diversity category (denoted by footnote 2) or the racial/ethnic/global diversity category.

Specific Major Requirements

Select at least two courses in each of the sub-areas History, Literature and Humanities, and Social Science. Two courses must meet the diversity requirement as described above.

History Courses

Select 6 hours of the following:

<p>| CLAS 440 / WMNS 440 | Gender and Sexuality in the Ancient World | 6 |

PLEASE NOTE
This document represents a sample 4-year plan for degree completion with this major. Actual course selection and sequence may vary and should be discussed individually with your college or department academic advisor. Advisors also can help you plan other experiences to enrich your undergraduate education such as internships, education abroad, undergraduate research, learning communities, and service learning and community-based learning.

Women's and Gender Studies (B.A.)

**14 HR TERM 1**

**Womens Studies Core**

complete WMNS 101  3hr  C

WMNS 101 is ideally completed in the first term of enrollment. It becomes critical to your success in the major if not completed by the fourth term of enrollment. It will fulfill the ACE 9 requirement.

**ACE 1 Written Texts**

complete 1 from ACE1  3hr  C

**ACE 2 Communication Skill**

complete 1 from ACE2  3hr

**CDR E: Language**

recommend 1 or more courses  5hr

If not complete, choose a language course according to your placement and proficiency. CDR E is met after 4th level (202) of most languages.

**16 HR TERM 3**

**Literature/Humanities**

complete 1 from Approved Lit/Humanities Courses for WGST  3hr  C

Complete an approved WMNS related course.

**Social Science**

complete 1 from Approved Social Science Courses for WGST  3hr  C

Complete an approved WMNS related course. This course will fulfill the CDR D requirement.

**ACE 3 Math/Statistics**

complete 1 from ACE3  3hr

**CDR E: Language**

recommend 1 or more courses  5hr

If not complete, choose a language course according to your placement and proficiency. CDR E is met after 4th level (202) of most languages.

**14 HR TERM 2**

**History**

complete 1 from Approved History Courses for WGST  3hr  C

Complete an approved WMNS related course.

**CDR A: Writing**

complete 1 from ACE1  3hr

In consultation with your advisor, select elective courses or courses that meet a 2nd major, minor, sci-base or upper level requirement.
15 HR TERM 4

History

complete 1 from Approved History Courses for WGST

3hr

Complete an approved WMNS related course. This course will fulfill the CDR C requirement.

Literature/Humanities

complete 1 from Approved Lit/Humanities Courses for WGST

3hr

Complete an approved WMNS related course.

ACE 4 Sciences

complete 1 from ACE4

3hr

Complete an approved WMNS related course that meets the Diversity requirement.

ACE 5 Humanities

complete 1 from ACE5

3hr

ACE 8 Ethical Principles

complete 1 from ACE8

3hr

Electives

complete Any Course

3hr

In consultation with your advisor, select elective courses or courses that meet a 2nd major, minor, sci-base or upper level requirement.

15 HR TERM 5

Social Science

complete 1 from Approved Social Science Courses for WGST

3hr

Complete an approved WMNS related course at the 300 or 400 level.

Additional WMNS Course

complete 1 from Approved History Courses for WGST, Approved Lit/Humanities Courses for WGST, Approved Social Science Courses for WGST, Approved Elective Courses for WGST

6hr

Complete an approved WMNS related course at the 300 or 400 level.

CDR B: Math/Sci w/Lab

complete 1 from Approved Science Courses

3hr

Complete an approved course from a Math or Science discipline with a lab: ASTR, BI0C, BIOS, CHEM, CSCE, GEOG, LIFE, MATH, METR, PHYS, STAT (select ANTH or GEOG allowed).

CDR B: Lab

complete 1 from ASCLAB1

1hr

Complete an approved lab associated with a course from a Math or Science discipline: BIOS, CHEM, GEOG, LIFE, METR, PHYS (select ANTH or GEOG allowed).
Electives

complete Any Course

In consultation with your advisor, select elective courses or courses that meet a 2nd major, minor, sci-base or upper level requirement.

15 HR TERM 7

Womens Studies Core

complete WMNS 485

3hr

CDR F: Additional Breadth

recommend 1 or more courses

Choose an additional course from CDR B, C or D that is outside your primary major discipline.

Electives

complete Any Course

9hr

In consultation with your advisor, select elective courses or courses that meet a 2nd major, minor, sci-base or upper level requirement.

15 HR TERM 8

Womens Studies Core

complete WMNS 400

3hr

WMNS 400 will fulfill the ACE 10 requirement.

ACE 7 Arts

complete 1 from ACE7

3hr

Electives

complete Any Course

9hr

In consultation with your advisor, select elective courses or courses that meet a 2nd major, minor, sci-base or upper level requirement.

Career Information

The following represents a sample of the internships, jobs and graduate school programs that current students and recent graduates have reported.

Transferable Skills

• Communicate clearly using different forms of writing to and for a variety of different audiences
• Understand human interactions and behaviors in multiple environments
• Analyze and interpret difficult texts
• Defend and discuss complex issues from multiple angles
• Understand and utilize a variety of research methodologies
• Form developed world views and global perspectives
• Evaluate the interrelatedness of events and ideas
• Contextualize political, social, and historical events
• Develop a strong awareness of self and others
• Provide a creative, inquisitive approach to conflict resolution

Jobs of Recent Graduates

• Case Manager, Center Pointe - Lincoln NE
• Program Specialist, Girl Scouts - Omaha NE
• Editor, University of Nebraska-Lincoln - Lincoln NE
• Field Director, Kiley for Kids - Denver CO
• Therapeutic Mentor, St. Monica's Behavioral Health Services for Women - Lincoln NE
• Rural Advocate, Voices of Hope - Lincoln NE
• Peace Corps Volunteer, Peace Corps - Cameroon ZZ
• Mentor for the Highly Gifted, Lincoln Public Schools - Lincoln NE
• Specialist/Textbooks Assoc., Nebraska Bookstore - Lincoln NE

Internships

• Intern, Planned Parenthood of the Heartland - Lincoln NE
• Women's Advocate Intern, Friendship home - Lincoln NE
• Education Intern, Henry Doorly Zoo - Omaha NE

Grad Schools

• Master's of Social Service Administration, The University of Chicago - Chicago IL
• Masters of Public Administration, University of Nebraska-Omaha - Omaha NE
• Ph.D., University of Nebraska-Omaha - Omaha NE
• MD, University Of Nebraska Medical Center - Omaha NE

Graduation Requirements

1. A minimum 2.00 GPA required for graduation.
