

COLLEGE OF EDUCATION & HUMAN SCIENCES

Description

Marjorie Kostelnik, Ph.D., Dean and Associate Director Agricultural Research Division; Professor of Child, Youth and Family Studies

Beth Doll, Ph.D., Associate Dean and Professor of Educational Psychology

Debra Mullen, Ph.D., Associate Dean and Lecturer in Educational Administration

Victoria Molfese, Ph.D., Associate Dean for Research and Professor of Child, Youth and Family Studies

Website: <http://cehs.unl.edu>

For additional information or questions, contact:

Dean's Office, 105 Home Economics Building, 402-472-2916

or

Dean's Office, 233 Mabel Lee Hall, 402-472-5400

The College of Education and Human Sciences (CEHS) is dedicated to enhancing the lives of individuals, families, schools, and communities and to strengthening the relationships among them. CEHS includes seven departments which collectively offer students a wide range of academic programs that can lead to careers and professions in such areas as:

- Education: Careers include teaching in elementary and secondary schools; special education; and speech-language pathology.
- Health, Medical or Wellness: Careers include clinical and community nutrition; medical and health programs; fitness and wellness programs; and athletic training.
- Human Sciences: Careers include early childhood education; human services; job, family and personal counseling; and social work.
- Hotel, Restaurant and Tourism Management and Culinary Science: Careers include working in tourism; event planning; hotel operations; and food product development.
- Journalism/Communication: Careers include broadcasting, journalism, and advertising.
- Textiles, Merchandising and Fashion Design: Careers include textile design; apparel design; fashion illustration; visual merchandising; and product development.

The CEHS faculty, academic advisors, and the entire college staff welcome you to explore the many academic and career opportunities our college has to offer UNL students. Please let us know if there is any way we can be of assistance to you. This Web page is designed to conveniently help you find information and answers to any questions you may have. If you are unable to locate what you are looking for, please contact the Student Services Center at 402-472-8624.

Admission

College Admission

Students accepted by the University must have an ACT of 20 or SAT of 950, or rank in the upper half of their high school graduating class, and have the following high school preparation to be eligible for guaranteed admission to the College of Education and Human Sciences:

- Four years of English that include intensive reading and writing experience;
- Two years of one foreign language;
- Four years of mathematics, that include Algebra I, II, geometry and one year that builds on a knowledge of algebra;
- Three years of natural sciences that include at least two years selected from biology, physics, chemistry, and earth science and one year of laboratory instruction;
- Three years of social studies, to include at least one year of American and/or world history and one year of history, American government, and/or geography.

Transfer and Readmitted Students

Transfer students from universities or colleges outside of UNL and readmitted students seeking admission to the College of Education and Human Sciences must have an accumulated average of 2.0 on a 4.0 scale or above and no high school deficiencies. Students who do not meet these requirements must enroll as deciding students in the Exploratory and Pre-Professional Advising Center or in another college. Once they have completed 12 graded hours at UNL with a minimum 2.0 grade point average, and have removed any high school deficiencies, UNL students may apply for admission to the College.

Transfer and readmitted students must meet the graduation requirements for the College of Education and Human Sciences as stated in the current catalog in effect at the time they enter or reenter the College.

Students who left the College on probation, or who were dismissed, may seek readmission to the College after two semesters by applying to the UNL Admissions Office. Readmission is not assured. However, the admissions committee is receptive to giving students a second opportunity to be successful. The committee is interested in knowing what the student has done in the intervening period that would suggest the student will be successful when readmitted. Successfully completing correspondence courses and/or community college courses is an effective way to demonstrate one's commitment to academic success.

Transferring from Other Colleges within UNL

Students transferring to the College of Education and Human Sciences from another University of Nebraska–Lincoln college or from the Exploratory and Pre-Professional Advising Center must have a minimum cumulative GPA of 2.0, be in good academic standing, and meet the freshman entrance requirements that exist at the time of their admission to the College of Education and Human Sciences. **Students must fulfill degree requirements that exist at the time of their admission to the college, not at the time they enter UNL.**

To remain current, College of Education and Human Sciences students must enroll in, and complete, at least one UNL course that will apply toward degree requirements during a 12 month period. Students who readmit following an absence of one year or more must meet all requirements in the Undergraduate Bulletin in effect at the time of readmission and enrollment. Students who transfer to another UNL college and later return to the College of Education and Human Sciences will be considered readmitted students. Students who transfer out of a teacher education program, but who continue their certification program while seeking a degree in another UNL college, are exempt from this policy.

International Students

The College of Education and Human Sciences welcomes undergraduate international students. As a part of admission to the College, international

students must present a TOEFL score of 550 or higher and TSE score of 230 or higher.

Students seeking teacher education and state certification must meet the same requirements as any other undergraduate students, including the CORE examination or other basic skills test approved by the Nebraska Department of Education. Students who have received a degree outside of the United States and are interested in teacher certification are required to have a transcript review completed by an approved agency not directly associated with the University of Nebraska. For more information, please contact the Student Services Center.

Removal of Deficiencies

Students admitted to the University with core deficiencies are expected to remove those deficiencies in a timely manner. Students with deficiencies are not eligible for graduation. The courses that students use to clear core deficiencies may also be used to meet ACE requirements or other graduation requirements. The Dean of the College of Education and Human Sciences will make the final decision concerning any problems or questions that may arise in satisfying requirements to remove deficiencies.

Advising

College of Education and Human Sciences students are encouraged to meet with their assigned academic advisor prior to registration for any term (fall, spring, and summer session). Every CEHS student is assigned to an advisor. If you do not know the name of your academic advisor, please call the advising center at 402-472-8624 or drop-by 105 Henzlik Hall.

The College of Education and Human Sciences Student Services Center is staffed with professional advisors who assist students with assessing educational goals, planning programs of study, understanding program requirements and knowing policies and procedures. As course selection and registration are critical to the timely completion of their academic goals, students are well advised to seek regular academic counseling from their assigned advisors in the Center to obtain the most up-to-date information regarding current requirements and timely completion of degree programs. The Center is also staffed with professionals to coordinate field placements, student teaching, and teaching certificate application.

Ultimately, students are themselves responsible for fulfilling all the requirements of the curriculum in which they are enrolled. The intellectual mentoring relationship between academic advisor and student is protected by confidentiality and strengthened by listening with understanding to student concerns. A student remains with an advisor for the duration of the educational program unless the student changes his/her program of study.

Academic Programs & Policies

Academic Load

A maximum of 18 credit hours may be taken each semester (up to 4 hours in the Pre-Session; up to 7 in each five-week session; up to 9 in the eight-week session) without special authorization from the Director of Advising. UNL students must be enrolled in 12 hours in a semester to be considered full time. Most first-year students are advised to take no more than 12-15 credit hours in the first semester. This allows new students to make an easier transition from high school to college study. Most students require 2-3 hours of preparation for every hour in class,

so a schedule of 12 credit hours is actually equivalent to a 36-48 hour a week job.

Outside work may interfere with academic success. The student who must work should plan to take a lighter load and consider taking some summer sessions or an extra semester or two to complete the work required for a degree.

Students should check if restrictions on the number of graded hours each term govern their continued eligibility for medical/auto insurance, scholarships, and/or financial aid.

Credit Rules

Credit by Exam

Students who believe that previous experience satisfies course requirements may approach the appropriate academic department for possible credit by exam options. Credit is rarely given simply for work experience.

Dual Degrees

Students in the College of Education and Human Sciences may earn a bachelor of science degree from the College of Education and Human Sciences and a bachelor of science degree from another UNL college. Students must complete the degree requirements for both colleges and a minimum of 30 credit hours beyond their primary college.

Inter-college Majors

A student in the College of Education and Human Sciences pursuing a bachelor of science in teaching learning and teacher education with a secondary education endorsement may also complete a major in mathematics in the College of Arts and Sciences by permission of the College of Education and Human Sciences. The student must complete all degree requirements in the College of Education and Human Sciences and the requirements of the arts and sciences major. Because students will not be earning a degree from the College of Arts and Sciences, they may not be eligible for arts and sciences scholarships and aid, but they may be eligible for education and human sciences scholarships and aid.

Student Recognition

Dean's List

A Dean's List of Education and Human Sciences and dual matriculated students who meet the stated criteria is published in the fall and spring semesters. To be eligible, students must have a minimum semester grade point average of 3.75 in 12 or more graded semester hours. Exceptions are made for students taking required courses offered only on a Pass/No Pass basis.

Student teachers and practica students who either

1. enter the semester of student teaching with a cumulative GPA of 3.75 or above, or
2. earn a 3.75 GPA during the preceding semester on the basis of 12 or more graded semester hours, will be eligible for the Dean's List with recommendation from the University supervisor.

Post-baccalaureate students working on certifications are eligible upon request to the Director of Advising, but only undergraduate hours apply.

Degrees with Distinction

In recognition of outstanding academic excellence, the College of Education and Human Sciences recommends the bachelors degree

With Distinction, With High Distinction and With Highest Distinction. All students graduating with distinction must meet the following criteria:

- Candidates must have completed at least 60 hours at UNL (Child, Youth and Family Studies students enrolled at UNO) by the time of graduation.
- Persons in teaching endorsement programs must satisfactorily complete student teaching; persons in non-endorsement programs must satisfactorily fulfill practica or other internship experiences as required by their programs of study.
- Eligibility is based on the cumulative grade point average of all credit hours taken at UNL (UNO) prior to the beginning of the term in which the student receives his or her degree.

Highest Distinction. Candidates for the bachelors degree who have successfully completed the program to which they were admitted and achieved a 4.0 cumulative grade point average.

High Distinction. Candidates for the bachelors degree who have successfully completed the program to which they were admitted and achieved a 3.950 thru 3.999 cumulative grade point average.

Distinction. Candidates for the bachelors degree who have successfully completed the program to which they were admitted and have achieved a 3.850 thru 3.949 cumulative grade point average.

Undergraduate Scholarships and Fellowships

In addition to the scholarships awarded by the University, the College of Education and Human Sciences awards a number of scholarships funded by various donors—individuals, organizations and foundations. Criteria for awarding these scholarships vary to meet the wishes of the donors but often include financial need, academic performance, major area of study and class standing.

Scholarships which vary in amount are awarded annually to incoming first time, transfer, and continuing College of Education and Human Sciences students. First-time freshmen need to complete the UNL Application for Admission and the FAFSA. Continuing students should complete, annually, the scholarship application through their MyRED account, and include a resume. Completion of the FAFSA is also recommended.

Substitutions and Waivers

In rare cases, there may be a need for students to request a special substitution or waiver to curriculum requirements. Such a request is made only in exceptional and unusual circumstances and cannot serve as an excuse for not following correct degree requirements. Specific instructions and procedures are available from students' academic advisors in the Student Services Center, 105 Henzlik Hall.

Bulletin to Use

Students are responsible for following the rules, policies and requirements found in the UNL Undergraduate Bulletin for the academic year in which they were last admitted to a program in the College of Education and Human Sciences. Students must complete all program requirements from a single bulletin year. In consultation with their advisor, a student may choose to move to and follow a subsequent bulletin if it is in their best interest.

College Degree Requirements

Grade Rules

Minimum Grade Requirements

Grade requirements vary from major to major. Please see the appropriate major listing or check with your advisor regarding minimum grade requirements.

Pass/No Pass Option

CEHS students are allowed to take up to 12 hours of Pass/No Pass (P/N) credit. The college departments vary on P/N policies. Students should check with their advisor to be certain they qualify for the Pass/No Pass option.

Grade Appeals

Any student enrolled in a course in the College of Education and Human Sciences who wishes to appeal alleged unfair and prejudicial treatment by a faculty member shall present his/her appeal in writing to the Dean's Office no later than 30 days after notice of the student's final course grade has been mailed from campus.

Students may use and are encouraged to use the following sequential procedures to appeal the grade. The problem may be solved at any of the levels of the appeal procedure.

1. Contact the instructor. Frequently the problems can be solved at this point.
2. Submit a request to the chair of the department.
3. Take the case to the departmental Grading Appeals Committee. The Committee is contacted by the department chair.
4. Take the case to the College Appeals, Retention and Certification Committee by contacting the Dean's Office.

The complaint will be forwarded to a committee consisting of faculty and student representatives. After a hearing, the Committee will make a written recommendation regarding the appeal. The Committee's recommendation is binding on the appealing student and faculty member.

Transfer Credit Rules

Acceptance of Transfer Grades

- Grades earned at UNL, UNO, UNK
- Grades of D-, D, D+, and C- satisfy requirements in all programs in the College unless specified otherwise. Students who receive a grade of D-, D, D+, C-, however, are encouraged to retake the course.
- Grades earned outside the University of Nebraska system

The college will accept no more than 9 credit hours of grades less than a C from any program outside the University of Nebraska system. Grades below a C can only be applied to general education requirements and elective classes.

Maximum Number of Hours for Transfer

Transfer courses are evaluated by the University and by the College to determine UNL and College course equivalencies. The College determines which courses will be accepted and how they will apply toward degree requirements. Sixty (60) is the maximum number of hours that will be accepted on transfer from a two-year college. Ninety (90) is the maximum number of hours that will be accepted on transfer from accredited four-year colleges and universities.

Courses taken 10 years before admission or readmission to the College will be evaluated by the major department to determine if it is appropriate

to accept those courses for transfer credit and for application to degree requirements. Specific courses will be reviewed in keeping with the guidelines specified by each department.

Transfer Credit from Technical, Non-Accredited and Foreign Institutions

Students who desire to transfer from these institutions must have each course evaluated by the appropriate departmental representative. All rules stated above in reference to grades and maximum credit hours apply. For additional information and guidance in this process contact the Dean's Office.

Transfer Agreements with UNO and UNK

Transfer agreements between the three institutions within the University System allow for a smooth transition for students interested in taking courses from UNO, UNK, and/or UNL. Although restrictions noted above on grades and maximum transfer hours still apply, there are some exceptions. For purposes of residency, courses from UNO and UNK fulfill these requirements. Students planning to major in a program in the college should read the specific requirements noted with individual programs. Questions about academic transfer should be addressed to the Advising Office.

Transfer Agreements with Community Colleges

Articulation agreements and "Transfer with Ease Programs" with Nebraska community colleges indicate how courses and programs will transfer to UNL and the College of Education and Human Sciences. The same guidelines noted above on the acceptance of courses, grades, and hours also apply to these institutions. Students interested in transferring from a community college should consult with their school or the Student Services Center to determine which courses will transfer to fulfill specific College of Education and Human Sciences requirements.

Courses from accredited two-year institutions will generally not be substituted for 400-level human sciences classes in the College. The 300-level courses will be considered on an individual basis by the respective departments in the College of Education and Human Sciences.

Courses taken prior to course articulation agreements will be accepted contingent upon departmental validation of the credit.

Residency Rules

Students must earn a minimum of 120 credit hours to earn a degree.

All students are expected to complete at least 30 of their final 36 hours of credit at UNL.

Degree Application Process

Graduation Requirements

Students are expected to develop a clear understanding of degree requirements and to plan their course of study with a College advisor. Students requiring clarification of outstanding degree requirements should visit with a College advisor promptly.

Students should access their Degree Audit via MyRed at least once each term to review degree requirements and progress toward graduation. It is the student's responsibility to make sure their Degree Audit accurately reflects their current College and program of study.

Students who believe their Degree Audit has errors or omissions should visit with a College advisor promptly. It is important that you resolve these matters as soon as practicable to avoid a delay in graduation.

Each student with MyRED access must submit an online Application for Graduation via MyRED for each degree to be received by:

- The last Friday in January for May graduation
- The last Friday in June for August graduation
- The last Friday in September for December graduation

Students submitting an electronic Application for Graduation via MyRed will be billed a \$25.00 per degree fee on their student account. Those students without MyRED access may apply for graduation in person at the Office of the University Registrar, 107 Canfield Administration Building or by mail. Applications for Graduation submitted in person or by mail must be accompanied by a check or money order in the amount of \$25.00 payable to the University of Nebraska–Lincoln. Failure to submit a timely Application for Graduation may preclude the awarding of a degree in the intended term.

Your Application for Graduation and required \$25.00 fee are good only for the term marked on your application. Neither your application nor your fee, are transferrable to another term. If you submit an Application for Graduation and pay the \$25.00 fee for a specified term but do not complete your degree requirements in that term, you will need to reapply to graduate in a future term and incur another \$25.00 fee.

Commencement ceremony information will be emailed to all degree applicants approximately one month before graduation. Each student who has applied for graduation must submit an online Commencement Attendance Form via MyRED, which will be available when the informational email is distributed.

Only those students who have applied for graduation, had the application accepted, and fulfilled all degree requirements as of the last day of the academic term may participate in the commencement ceremony for that term. Because the University of Nebraska–Lincoln has a commencement for each term, ceremony participation is allowed only in the term during which the student has properly and timely applied for graduation and fulfilled degree requirements.

Minors & Areas of Specialization Offered

Minors Available

CEHS International Minor – 18 hours

Child, Youth and Family Studies Minor – 18 hours

Coaching Minor – 15 hours

Educational Psychology Minor - 18 hours

Education Studies Minor – 18 hours

Hospitality, Restaurant and Tourism Management Minor – 18 hours

Textiles, Merchandising and Fashion Design Minor – 15 hours

Supplemental Education Endorsements

To pursue a supplemental endorsement, students must either hold a valid teaching certificate or be pursuing a teacher education program. Please contact an academic advisor or the specified contact person for information regarding any of the following supplemental endorsements.

Coaching (Grades 7-12) 15 hours: Persons with this endorsement may coach interscholastic athletic events for participants in grades 7 through 12.

ATHC 235	First Aid and Care of the Athlete	3
ATHC 279	Coaching Effectiveness and Psychological Components of Sports Performance	3
ATHC 494	Practicum in Coaching	3
Select three of the following:		6
ATHC 311	Coaching of Basketball	
ATHC 312	Coaching of Football	
ATHC 317	Coaching of Track	
ATHC 318	Coaching of Volleyball	
Total Credit Hours		15

Contact: Dr Sara Skretta, 116 Henzlik Hall, sskretta2@unl.edu (twandzilak1@unl.edu), 402-472-8626.

Cooperative Education–Diversified Occupations (Grades 9-12) 6-8 hours:

This endorsement requires an applicant to have, or earn concurrently, an endorsement in a subject or field. Persons with this endorsement may coordinate, teach and supervise programs of instruction that develop career and life skills.

For students majoring in Secondary Education Business, Marketing and Information Technology:

TEAC 425 / TEAC 825	Coordination in Occupational Training Programs	3
TEAC 451K	Learning and Teaching Principles and Practices: Career and Technical Education	3
Select one of the following:		0-2
1,000 hours of approved work experience		
TEAC 297	Professional Practicum Experiences II	
ALEC 390	Industrial Experience	
Total Credit Hours		6-8

Contact your advisor.

For students majoring in Agricultural Education:

ALEC 234	Planning Leadership and Experience Programs	3
ALEC 413	Program Development	3
Select one of the following:		0-2
1,000 hours of approved work experience		
TEAC 297	Professional Practicum Experiences II	
ALEC 390	Industrial Experience	
Total Credit Hours		6-8

Contact your advisor.

For students majoring in Industrial Technology Education:

ALEC 235	STS Technical Skills and Skills USA	3
ALEC 413	Program Development	3
Select one of the following:		0-2
1,000 hours of approved work experience		
TEAC 297	Professional Practicum Experiences II	
ALEC 390	Industrial Experience	
Total Credit Hours		6-8

Contact your advisor.

Early Childhood Education (Birth through Grade 3) 19 hours: Persons with this endorsement may teach children from prekindergarten through grade 3. Candidates for this endorsement must hold, or earn concurrently, an Elementary Education (K-6) endorsement.

CYAF 210	Applied Methods of Social Emotional Development and Guidance	2
CYAF 270	Development of the Preschool Child	2
CYAF 210L	Applied Methods of Social Emotional Development and Guidance	1
CYAF 270L	Development of the Preschool Child-Laboratory	1
CYAF 474	Assessment in Early Childhood	3
CYAF 374 & CYAF 374L	Curriculum Planning in Early Childhood Education and Curriculum Planning in Early Childhood Education Laboratory	4
TEAC 410	Educational Program for Kindergarten Children	3
Select one of the following:		3
CYAF 384	Math, Science & Nature Integrated Methods Birth - Kindergarten:World of Wonder	
CYAF 405	ECEMS - Administration and Supervision in Early Childhood Settings	
CYAF 407	ECEMS - Health, Safety, and Nutrition	
CYAF 408	ECEMS - Technology and Young Children	
Total Credit Hours		19

English as a 2nd Language–Undergraduate (Grades K-12) 9-18 hours:

Persons with this endorsement may teach English as a second language in grades K through 12. There are three undergraduate courses that may be taken to prepare for this endorsement or which may qualify an undergraduate student for a provisional endorsement in ESL, however, the ESL endorsement cannot be completed at the undergraduate level; graduate level courses must be taken to complete the endorsement.

TEAC 413A	ESL: Acquisition	1-3
TEAC 413K	Linguistics for the ELL Teacher	3
TEAC 413M	Teaching English Language Learners (ELLs) in Content Areas	3
Total Credit Hours		7-9

Please see your advisor for list of graduate courses to complete the endorsement.

Information Technology (Grades K-12) 17 hours: Persons with this endorsement may teach information technology courses in grades K through 12. **NOTE:** Endorsement in business and marketing education required.

TEAC 323	Career and Technical Education: Multimedia Applications	3
TEAC 444	Career and Technical Education: Technology Issues	3
TEAC 451L	Learning and Teaching Principles and Practices: Methods of Teaching Information Technology	3
TEAC 397L	Professional Practicum Experience III Information Technology	1
CSCE 101	Fundamentals of Computer Science	3
CSCE 155N	Computer Science I: Engineering and Science Focus	3

CSCE 101L	Fundamentals of Computing Laboratory	1
Total Credit Hours		17

Contact your CEHS advisor.

Journalism (Grades 7-12) 18 hours: *Must have a valid initial teaching certificate or parallel with one in progress.*

JOMC 101	Principles of Mass Media	3
JGEN 103	Media Literacy	3
JOMC 486	Mass Media Law	3
JOUR 201	Editing I	3
JOUR 202	Reporting I	3
JOUR 467 / JOUR 867	School Publications	3
Total Credit Hours		18

Contact: Department of Teaching, Learning and Teacher Education, 402-472-2231.

Speech (Grades 7-12) 21 hours: *Must have a valid initial teaching certificate or parallel with one in progress.*

COMM 109	Fundamentals of Human Communication	3
COMM 209 or COMM 101	Public Speaking Communication in the 21st Century	3
COMM 205	Performance of Literature	3
COMM 210	Communicating in Small Groups	3
COMM 212	Debate	3
COMM 283	Interpersonal Communication	3
ENGL 357	Composition Theory and Practice	3
Total Credit Hours		21

Contact: Department of Teaching, Learning and Teacher Education, 402-472-2231.

Theatre (Grades 7-12) 21 hours: *Must have a valid initial teaching certificate or parallel with one in progress.*

THEA 112G	Introduction to Theatre	3
THEA 114	Basic Acting Techniques I	3
THEA 201	Technical Theatre Practice	3
THEA 202	Play Direction I	3
THEA 204	Stage Makeup	3
THEA 255	Stage Movement I	3
THEA 418	Costume Design I	3
Total Credit Hours		21

Contact: Department of Teaching, Learning and Teacher Education, 402-472-2231.

Graduate Student Information

Post-Baccalaureate & Graduate Teacher Certification Programs

General and Admission Information

Students who have received a bachelors degree or higher and desire to obtain an initial teaching certificate may do so by pursuing an initial teaching certification program with a masters degree. Students

must apply to the Graduate College for admission to the University of Nebraska–Lincoln at: <http://www.unl.edu/gradstudies> and apply online. Additional information on graduate-level certifications can be found at: /graduate-professional/programs/teacher-cert/ (<https://catalog.unl.edu/graduate-professional/programs/teacher-cert/>)

Degrees & Majors &/or Endorsements

Alphabetical Listing

- Athletic Training
- Biology Education (7-12)
- Business, Marketing and Information Technology Education (6-12)
