TEXTILES, MERCHANDISING & FASHION DESIGN: TEXTILE SCIENCE

Description
The textile science option emphasizes textiles and biofibers, textile production, and issues concerning the global textile industry. Professional support in related sciences and business is required. The program is planned for students interested in sales, research, or management in the textile industry. It is also recommended for students who plan to go on to graduate school in either textiles or related sciences. **Students are eligible to receive a minor in chemistry from the College of Arts and Sciences.**

College Requirements

College Admission
Students accepted by the University must have an ACT of 20 or SAT of 950, or rank in the upper half of their high school graduating class and have the following high school preparation to be eligible for guaranteed admission to the College of Education and Human Sciences:

- Four years of English that include intensive reading and writing experience.
- Two years of one foreign language.
- Four years of mathematics that include Algebra I, II, geometry, and one year that builds on a knowledge of algebra.
- Three years of natural sciences that include at least two years selected from biology, physics, chemistry, and earth science and one year of laboratory instruction.
- Three years of social studies that include at least one year of American and/or world history and one year of history, American government, and/or geography.

Transfer and Readmitted Students
Transfer students from universities or colleges outside of the University of Nebraska—Lincoln and readmitted students seeking admission to the College of Education and Human Sciences must have an accumulated average of 2.0 on a 4.0 scale or above and no high school deficiencies. Students who do not meet these requirements must enroll as deciding deficiencies. University of Nebraska–Lincoln students may apply toward degree requirements during a 12-month period. Students who readmit following an absence of one year or more must meet all requirements in the Undergraduate Catalog in effect at the time of readmission and enrollment. Students who transfer to another University of Nebraska–Lincoln college and later return to the College of Education and Human Sciences will be considered readmitted students. Students who transfer out of a teacher education program, but continue their certification program while seeking a degree in another University of Nebraska–Lincoln college, are exempt from this policy.

International Students
The College of Education and Human Sciences welcomes undergraduate international students. As a part of admission to the College, international students must present a TOEFL score of 550 or higher and TSE score of 230 or higher.

Students seeking teacher education and state certification must meet the same requirements as any other undergraduate students, including the CORE examination or other basic skills test approved by the Nebraska Department of Education. Students who have received a degree outside of the United States and are interested in teacher certification are required to have a transcript review completed by an approved agency not directly associated with the University of Nebraska. For more information, please contact the Student Services Center.

Removal of Deficiencies
Students admitted to the University with core deficiencies are expected to remove those deficiencies in a timely manner. Students with deficiencies are not eligible for graduation. The courses that students use to clear core deficiencies may also be used to meet ACE requirements or other graduation requirements. The Dean of the College of Education and Human Sciences will make the final decision concerning any problems or questions that may arise in satisfying requirements to remove deficiencies.

College Degree Requirements

Grade Rules
Minimum Grade Requirements
Grade requirements vary from major to major. Please see the appropriate major listing or check with your advisor regarding minimum grade requirements.

Pass/No Pass Option
CEHS students are allowed to take up to 12 hours of Pass/No Pass (P/N) credit. The college departments vary on P/N policies. Students should...
check with their advisor to be certain they qualify for the Pass/No Pass option.

Grade Appeals
Any student enrolled in a course in the College of Education and Human Sciences who wishes to appeal alleged unfair and prejudicial treatment by a faculty member shall present their appeal in writing to the Dean's Office no later than 30 days after notice of the student's final course grade has been mailed from campus.

Students may use and are encouraged to use the following sequential procedures to appeal the grade. The problem may be solved at any of the levels of the appeal procedure.

1. Contact the instructor. Frequently, the problems can be solved at this point.
2. Submit a request to the chair of the department.
3. Take the case to the departmental Grading Appeals Committee. The Committee is contacted by the department chair.
4. Take the case to the College Appeals, Retention and Certification Committee by contacting the Dean's Office.

The complaint will be forwarded to a committee consisting of faculty and student representatives. After a hearing, the Committee will make a written recommendation regarding the appeal. The Committee's recommendation is binding on the appealing student and faculty member.

Transfer Credit Rules
Acceptance of Transfer Grades
- Grades earned at the University of Nebraska–Lincoln, UNO, UNK
- Grades of D, D+, and C+ satisfy requirements in all programs in the College unless specified otherwise. Students who receive a grade of D-, D, D+, C, however, are encouraged to retake the course.
- Grades earned outside the University of Nebraska system

The college will accept no more than 9 credit hours of grades less than a C from any program outside the University of Nebraska system. Grades below a C can only be applied to general education requirements and elective classes.

Maximum Number of Hours for Transfer
Transfer courses are evaluated by the University and by the College to determine University of Nebraska–Lincoln and College course equivalencies. The College determines which courses will be accepted and how they will apply toward degree requirements. Sixty (60) is the maximum number of hours that will be accepted on transfer from a two-year college. Ninety (90) is the maximum number of hours that will be accepted on transfer from accredited four-year colleges and universities.

Courses taken 10 years before admission or readmission to the College will be evaluated by the major department to determine if it is appropriate to accept those courses for transfer credit and for application to degree requirements. Specific courses will be reviewed in keeping with the guidelines specified by each department.

Transfer Credit from Technical, Non-Accredited and Foreign Institutions
Students who desire to transfer from these institutions must have each course evaluated by the appropriate departmental representative. All rules stated above in reference to grades and maximum credit hours apply. For additional information and guidance in this process, contact the Dean's Office.

Transfer Agreements with UNO and UNK
Transfer agreements between the three institutions within the University System allow for a smooth transition for students interested in taking courses from UNO, UNK, and/or the University of Nebraska–Lincoln. Although restrictions noted above on grades and maximum transfer hours still apply, there are some exceptions. For purposes of residency, courses from UNO and UNK fulfill these requirements. Students planning to major in a program in the college should read the specific requirements noted with individual programs. Questions about academic transfer should be addressed to the Advising Office.

Transfer Agreements with Community Colleges
Articulation agreements and "Transfer with Ease Programs" with Nebraska community colleges indicate how courses and programs will transfer to the University of Nebraska–Lincoln and the College of Education and Human Sciences. The same guidelines noted above on the acceptance of courses, grades, and hours also apply to these institutions. Students interested in transferring from a community college should consult with their school or the Student Services Center to determine which courses will transfer to fulfill specific College of Education and Human Sciences requirements.

Courses from accredited two-year institutions will generally not be substituted for 400-level human sciences classes in the College. The 300-level courses will be considered on an individual basis by the respective departments in the College of Education and Human Sciences.

Courses taken prior to course articulation agreements will be accepted contingent upon departmental validation of the credit.

Residency Rules
Students must earn a minimum of 120 credit hours to earn a degree.

All students are expected to complete at least 30 of their final 36 hours of credit at the University of Nebraska–Lincoln.

Degree Application Process
Graduation Requirements
Students are expected to develop a clear understanding of degree requirements and to plan their course of study with a College advisor. Students requiring clarification of outstanding degree requirements should visit with a College advisor promptly.

Students should access their Degree Audit via MyRED at least once each term to review degree requirements and progress toward graduation. It is the student's responsibility to make sure their Degree Audit accurately reflects their current College and program of study.

Students who believe their Degree Audit has errors or omissions should visit with a College advisor promptly. It is important that you resolve these matters as soon as practicable to avoid a delay in graduation.

Each student with MyRED access must submit an online Application for Graduation via MyRED for each degree to be received by:

- The fourth Friday in January for May graduation
- The second Friday in June for August graduation
- The second Friday in September for December graduation
Students submitting an electronic Application for Graduation via MyRED will be billed a $25.00 per degree fee on their student account. Students without MyRED access may apply for graduation in person at Husker Hub in the Canfield Administration Building, or by mail. Applications for graduation submitted in person or by mail must be accompanied by a check or money order in the amount of $25.00 payable to the University of Nebraska–Lincoln. Failure to submit a timely Application for Graduation may preclude the awarding of a degree in the intended term.

Your Application for Graduation and required $25.00 fee are good only for the term marked on your application. Neither your application nor your fee are transferrable to another term. If you submit an Application for Graduation and pay the $25.00 fee for a specified term but do not complete your degree requirements in that term, you will need to reapply to graduate in a future term and incur another $25.00 fee.

Commencement ceremony information will be emailed to all degree applicants approximately one month before graduation. Each student who has applied for graduation must submit an online Commencement Attendance Form via MyRED, which will be available when the informational email is distributed.

Only those students who have applied for graduation, had the application accepted, and fulfilled all degree requirements as of the last day of the academic term may participate in the commencement ceremony for that term. Because the University of Nebraska–Lincoln has a commencement for each term, ceremony participation is allowed only in the term during which the student has properly and timely applied for graduation and fulfilled degree requirements.

Catalog Rule
Students are responsible for following the rules, policies, and requirements found in the University of Nebraska–Lincoln Undergraduate Catalog for the academic year in which they were last admitted to a program in the College of Education and Human Sciences. Students must complete all program requirements from a single catalog year. In consultation with their advisor, a student may choose to move to and follow a subsequent catalog if it is in their best interest.

Learning Outcomes
Graduates of textile science will be able to:

1. Communicate ideas clearly and effectively in oral, visual, and written forms.
2. Apply processes and theories to solve problems in the textiles and apparel product life cycles.
3. Analyze and synthesize the cultural, behavioral, historical, and aesthetic dimensions of the global textiles and apparel industry.
4. Demonstrate ability to work effectively in group decision making contexts.
5. Use technologies relevant to research, product development, and innovation in the soft goods industry.

ACE Requirements  
All UNL students will be required to complete a minimum of 3 hours of approved coursework in each of the 10 designated Achievement-Centered Education (ACE) student learning outcome areas. These can be viewed at http://ace.unl.edu. Students will be provided a list of classes they can select from to meet each of the 10 ACE Student Learning Outcomes (SLO). There may be required courses within an education option program that will also satisfy ACE requirements. Therefore, it is highly recommended that students contact their advisor prior to registering for ACE classes in order to ensure that each of the class selections are in the best interest of the students’ academic program.  

Minor Requirements  
Students may receive a minor in chemistry (24 hrs), hospitality, restaurant and tourism management (19 hrs) or a business minor (18 hrs). Minors may also be taken in Global Studies or in Women’s and Gender Studies. The student should see their advisor for more information.  

Additional Major Requirements  

Grade Rules  
Pass/No Pass  
No required coursework in the textiles, merchandising and fashion design department can be taken Pass/No Pass by textiles, merchandising and fashion design majors. Should a student have earned a Pass in one of the courses prior to starting the option, the Pass will be reviewed.  

Substitution and Waiver Forms  
Substitution and waiver forms must be processed prior to the semester of graduation and must be processed prior to enrolling in the substituted course. All course prerequisites must be met prior to enrollment.  

Internship or Study Tour Requirement  
All students are required to participate in either an internship or study tour experience, or both, during their program. Internships are qualified by a minimum GPA requirement. Textiles, merchandising and fashion design majors have the opportunity to study abroad at institutions such as the American Intercontinental University in London, for both the summer and semester education abroad programs.  

REQUIREMENTS FOR MINORS OFFERED BY department  
This minor is not an option for marketing majors.  

REQUIRED COURSES FOR TEXTILE SCIENCE  
TMFD 206  Textiles  3  
TMFD 405  Advanced Textiles  3  
TMFD 406  Textile Testing and Evaluation  3  
TMFD 428  Coloration  3

TMFD 121  Visual Communication and Presentation  
TMFD 123  Clothing and Society: You Are What You Wear  
TMFD 144  Introduction to Design Theory and Criticism  
TMFD 407  History of Dress  
TMFD 410  Body, Dress and Identity  
TMFD 420  Launch a Product in a Semester  
TMFD 477  Gender and Material Culture  
TMFD 492  Professional Study Tour-International or Domestic  
TMFD 493  Domestic Study Tour
Grade Rules

C- and D Grades
Only grades of C or above will count toward graduation requirements for TMFD courses.

Pass/No Pass
No TMFD course can be taken Pass/No Pass.

TMFD 104 Computer Basics for TMFD
Description: Computer aided design software functions and processes specific to textiles, merchandising and fashion design. Introduction to design software at the basic level.
Credit Hours: 1
Max credits per semester: 1
Max credits per degree: 1
Grading Option: Graded with Option

TMFD 112 Product Development I: Garment Assembly
Description: Technical experience in stitch applications, garment construction and finishes and fundamental fit. Experiences in diverse disciplines within the department and their relation to the global textile and apparel professions and industries.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded
Prerequisite for: TMFD 216

TMFD 121 Visual Communication and Presentation
Notes: Non-majors only.
Description: An introduction to design fundamentals and their application in visual communications. Design problems and solutions will be explored and considered relative to the needs of various professions that use images to convey information.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded

TMFD 123 Clothing and Society: You Are What You Wear
Description: Analysis of social, cultural, aesthetic, and economic influences on clothing and human behavior.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded
ACE: ACE 2 Communication Competence

TMFD 123H Honors: Clothing and Human Behavior
Prerequisites: Good standing in the University Honors Program or by invitation.
Description: Analysis of social, cultural, aesthetic, and economic influences on clothing and human behavior.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option
ACE: ACE 9 Global/Diversity

TMFD 144 Introduction to Design Theory and Criticism
Description: Describe, analyze, interpret and evaluate two and three dimensional design forms.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option
Prerequisite for: TMFD 312; TMFD 314
ACE: ACE 2 Communication Competence

TMFD 145 Color Studio: Theory and Practice
Description: Explore color concepts in two and three dimensional formats. Emphasis on applications to visual merchandising, product development, and fashion design.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option
Prerequisite for: TMFD 312; TMFD 314

TMFD 146 Visualization Studio
Description: Develop perceptual and analytical drawing skills through visual problem solving using various media and techniques. Emphasis on developing skills applicable to fashion and textile representation.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option
Prerequisite for: TMFD 312; TMFD 314

TMFD 206 Textiles
Prerequisites: Sophomore standing.
Description: Fibers, yarns, fabric construction, and finishes as they affect use and care.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option
ACE: ACE 4 Science

TMFD 212 Product Development II: Apparel Analysis and Development
Description: Analysis and evaluation of apparel structure. Design, style, and construction variations as related to quality, price, and performance.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option
Prerequisite for: TMFD 216

TMFD 213 Merchandising I: Textile and Apparel Industry
Description: Textile and apparel industry processes. Social, cultural, and economic influences on the industry including entrepreneurship.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option

TMFD 216 Apparel Design by Flat Pattern
Prerequisites: TMFD 112 and TMFD 212
Description: Creative experience in apparel design through the use of flat pattern methods.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option
TMFD 312 Product Development III: Fashion Analysis and Presentation
Prerequisites: TMFD major, TMFD 144, TMFD 145, TMFD 146, and TMFD 212.
Description: Drawing garments and the fashion figure. Aesthetic styling and presentation, refining product specifications, and interpretations of current trends. Intermediate application of computer-aided design in flat drawings and visual presentations.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option

TMFD 313 Merchandising II: Merchandise Buying and Control
Prerequisites: 3 hrs MATH or STAT
Description: Role and responsibilities of apparel and/or home furnishings merchandisers in a retail operation. Fundamentals of merchandise mathematics and its application to computer technology.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option

TMFD 314 Textiles and Apparel Merchandising and Promotion
Prerequisites: TMFD 144, TMFD 145, and TMFD 146
Description: Store and non-store visual merchandising and promotion for textiles and apparel. Includes strategies for branding and target market in both real and virtual platforms.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option

TMFD 399 Independent Study
Description: Readings in current literature and individual problems.
Credit Hours: 1-5
Min credits per semester: 1
Max credits per semester: 5
Max credits per degree: 5
Grading Option: Graded with Option

TMFD 403 Apparel Design by Draping
Crosslisted with: TMFD 803
Prerequisites: TMFD 212 & 216 for TMFD 403 ONLY
Description: Creative experience in designing apparel through the use of draping techniques.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option
Prerequisite for: TMFD 471, TMFD 871, TMFD 823

TMFD 405 Advanced Textiles
Crosslisted with: TMFD 805
Prerequisites: Prerequisite for TMFD 405 ONLY: TMFD 206; CHEM 105 or 109 or 113.
Description: Recent advances in the production and performance of fibers, yarns, finishes and dyes for textile products. Lab experiences designed to familiarize the students with standards, methods and equipment for evaluating textile product performance.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option

TMFD 406 Textile Testing and Evaluation
Crosslisted with: TMFD 806
Prerequisites: TMFD 206 required for TMFD 406 only
Description: Physical and chemical analysis of textiles using standard testing procedures. The calculation, interpretation, and evaluation of test results.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option

TMFD 407 History of Dress
Crosslisted with: TMFD 807
Prerequisites: Junior standing, AHIS 101 or 102 or 3 hrs HIST 130 or 131 for TMFD 407 ONLY
Description: Theoretical approach to the history of dress from ancient times through the twentieth century; examining dress in the context of social, economic, and artistic development of Western culture.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option
Prerequisite for: TMFD 876, ANTH 883
ACE: ACE 5 Humanities

TMFD 408 Textiles, Technology and Culture
Crosslisted with: TMFD 808
Prerequisites: TMFD 408: Junior standing, TMFD 206, AHIS 101 or 102 or 3 hrs HIST 130 or 131. Undergraduate Only.
Description: Textiles in the context of social, technical, political, aesthetic, and economic developments in the cultures of Europe, Asia, the Middle East, Africa and the Americas. Emphasis is placed on the relationship between social, technical, and aesthetic qualities of textiles, and their transformations, as well as stylistic similarities and differences across cultural and historical contexts.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option
Prerequisite for: TMFD 876, ANTH 883
ACE: ACE 5 Humanities

TMFD 410 Body, Dress and Identity
Crosslisted with: TMFD 810, WMNS 410A, WMNS 810A
Prerequisites: TMFD 410 ONLY. Junior or Senior standing; 3hrs PSYC or SOCI; TMFD 123.
Description: Theories and research findings about the social, cultural, and psychological aspects of clothing and appearance in relation to the self and others. Special emphasis will be placed on relationship(s) between the body, dress, and personal and social identitites.
Credit Hours: 3
Max credits per semester: 3
Max credits per degree: 3
Grading Option: Graded with Option
Offered: SPRING
Prerequisite for: TMFD 910

TMFD 496D Independent Study - Design
Crosslisted with: TMFD 896D
Prerequisites: 12 hrs TMFD courses and permission for TMFD 896 only.
Description: Individual projects in research, literature review, or creative production.
Credit Hours: 1-5
Min credits per semester: 1
Max credits per semester: 5
Max credits per degree: 5
Grading Option: Graded with Option

TMFD 499 Undergraduate Research
Prerequisites: Senior standing.
Credit Hours: 1-6
Min credits per semester: 1
Max credits per semester: 6
Max credits per degree: 6
Grading Option: Graded with Option

PLEASE NOTE
This document represents a sample 4-year plan for degree completion with this major. Actual course selection and sequence may vary and should be discussed individually with your college or department academic advisor. Advisors also can help you plan other experiences to enrich your undergraduate education such as internships, education abroad, undergraduate research, learning communities, and service learning and community-based learning.
