College Degree Requirements

College General Education Requirements

Foreign Languages/Language Requirement

The languages requirement serves to help students gain a working familiarity with a language and a culture other than their own.

All students pursuing bachelor of arts or bachelor of music degrees are required to complete the intermediate level in one foreign language. Some or all of these courses may be completed while in high school. Courses approved to satisfy the languages requirement are offered by the Department of Classics and Religious Studies and the Department of Modern Languages and Literatures in the College of Arts and Sciences, and the Department of Speech-Language Pathology and Audiology in the College of Education and Human Sciences. A student is required to successfully complete 202 to fulfill the languages requirement. (Exceptions: In Japanese, a student must complete JAPN 201 Second-Year Japanese I and one additional course from JAPN 202 Intermediate Grammar and Reading I, JAPN 203 Second-Year Japanese II, and JAPN 204 Intermediate Grammar and Reading II; in Greek, the student must complete two 300-level courses; in Latin, a student must take LATN 301 Latin Prose I and LATN 302 Latin Poetry I.) Instruction is currently available in Arabic, Chinese, Czech, French, German, Greek, Japanese, Latin, Russian, Spanish, and American Sign Language. View the College page for a full listing of approved courses.

NOTE:

- A student who has completed three years of one foreign language study in high school may fulfill the languages requirement by taking a fourth-semester-level course.
- A student who has completed the fourth-year level of one foreign language in high school is exempt from the languages requirement.
- Any student who achieves a specified scaled score in the College Level Examination Program (CLEP) subject exam in French, German, and Spanish, levels 1 and 2, will be exempt
from the languages requirement and will also receive credit for
the fourth-semester course in the language.

- A transfer student with 11 or 12 semester hours of accepted
credit has two choices: 1) to complete 6 hours in the same
language at the 200 level; or 2) with permission of the chair of
the department to enroll in a fourth semester course.

- A student from a foreign country who has demonstrated
acceptable proficiency in his or her native language (other than
English) is exempted from the languages requirement without
credit toward the degree. American students who present
acceptable evidence that their second language is English
are exempted from the languages requirement without credit
toward the degree. All such students should see the Dean’s
Office, 102 Woods Art Building, for this exemption.

Minimum Hours Required for Graduation
A minimum of 120 semester hours of credit is required for graduation
from the Hixson-Lied College of Fine and Performing Arts. Students in
the College are required to maintain a minimum current and cumulative
GPA of 2.0. Individual departments may require a higher current and
cumulative GPA.

Grade Rules
C- and D Grades
The College will accept no more than 15 semester hours of D grades from
schools outside of the University of Nebraska system.

Grades lower than C earned at Nebraska or transferred from other
schools cannot be applied toward requirements in a major, but may be
applied toward total hours.

Pass/No Pass
University regulations for the Pass/No Pass privilege state: The Pass/
No Pass option is designed to be used by a student seeking to expand
his/her intellectual horizons by taking courses in areas where he/she
may have minimum preparation without adversely affecting his/her grade
point average.

1. Neither the P nor the N grade contribute to a student’s GPA.

2. P is interpreted to mean C or above. Some professional education
courses require a C+ or above.

3. A change to or from Pass/No Pass may be made until mid-term (1/2
of the course). This date coincides with the final date to drop a course
without the instructor’s approval.

4. The Pass/No Pass or grade registration cannot conflict with the
professor’s, department’s, college, or University policy governing
grading option.

5. Prior to the mid-term deadline, changing to or from the Pass/No
Pass requires using the MyRED system to change the grading
option or filing a Drop/Add form with Husker Hub, first floor Canfield
Administration Building. After the mid-term deadline, a student
registered for Pass/No Pass cannot change to a grade registration
unless the Pass/No Pass registration is in conflict with a professor’s,
department’s, college, or University policy governing Pass/No Pass.

6. The Pass/No Pass grading option cannot be used for the removal of
C- or D or F grades.

Pass/No Pass privileges in the Hixson-Lied College of Fine and
Performing Arts are extended to students according to the following
additional regulations:

1. Pass/No Pass hours can count toward fulfillment of ACE
requirements up to the 24-hour maximum.

2. Freshmen and sophomores may enroll for no more than 6 hours of
Pass/No Pass work per semester.

3. Students may not elect to take courses on a Pass/No Pass basis to
fulfill degree requirements in the major. Departments may allow up
to 6 hours of Pass/No Pass to be taken in the minor offered by the
Hixson-Lied College of Fine and Performing Arts.

4. Departments may specify that certain courses can be taken only on a
Pass/No Pass basis.

5. The College will permit no more than a total of 24 semester hours
of Pass/No Pass grades to be applied toward degree requirements.
This total includes all “pass” grades earned at Nebraska and other
schools.

Individual departments vary in their policies regarding Pass/No
Pass hours as applied to the major and minor. Consult the individual
departmental listings for these policies. Students who wish to apply
Pass/No Pass hours to their major and minor(s) must obtain approval on
a form that is available in the Dean’s Office, 102 Woods Art Building.

GPA Requirements
Students are expected to maintain a minimum 2.0 grade point average
each semester. Some programs within the College may have higher GPA
requirements to keep in good academic standing.

Transfer Credit Rules
Ordinarily, hours earned at an accredited college are accepted by the
University. The College, however, will evaluate all hours submitted on
an application for transfer and reserves the right to accept or reject any
of them. The maximum number of hours the University will accept on
transfer from a two-year college is 60.

Normally, credit is not given for pre-university work. In some instances,
however, it may be possible to receive credit through satisfactory
examination.

All transfer students must complete the Residency Requirement (see
“Residency Requirement”), and at least 9 hours in the major field must
be completed at the University regardless of the number of hours
transferred.

The Hixson-Lied College of Fine and Performing Arts will accept no more
than 15 semester hours of D grades from schools other than UNO or
UNK. All grades may be transferred from UNO or UNK. However, transfer
courses within a student’s major or minor will be evaluated by that unit
and held to the same minimum grade standards as courses taken at the
University of Nebraska—Lincoln.

Transfer Credit from Foreign Institutions
Credit for courses taken at foreign universities and colleges will be
transferred only after validation by the appropriate department. This
evaluation may include examination of the student over subject matter
studied at the foreign institution.

International Baccalaureate Credit
Students who have studied art, music, or theatre within the International
Baccalaureate Program will be given credit for courses at the University
of Nebraska—Lincoln according to the guidelines established by each
academic unit. Contact the department office for specific course
information.
**Course Level Requirements**
Upper-Level Requirement: Thirty of the 120 semester hours of credit must be in courses numbered above 299.

**Residency**
Students must meet either of the following residency qualifications:

- At least 30 of the last 36 hours of credit must be registered for and completed while enrolled at the University of Nebraska–Lincoln.
- A total of 90 credits must be registered for and completed while enrolled at the University of Nebraska–Lincoln.

Credit earned during education abroad may be used toward degree requirements if students participate in prior approved programs and register through the University of Nebraska–Lincoln. Credit awarded from an institution other than Nebraska will be subject to transfer credit and residency rules.

**Experiential Learning Requirement**
All undergraduates in the Hixson-Lied College of Fine and Performing Arts must complete an Experiential Learning (EL) designated course.

**ACE Requirements**
All students must fulfill the Achievement Centered Education (ACE) requirements. Information about the ACE program may be viewed at ace.unl.edu (https://ace.unl.edu).

**Catalog Rule**
Students who first enroll at Nebraska under the 2023-2024 Undergraduate Catalog must fulfill the requirements stated in this catalog or in any other catalog which is published while they are enrolled in the College, provided the catalog they follow is no more than ten years old at the time of graduation. A student must, however, meet the requirements from one catalog only rather than choosing a portion from one catalog and the remainder from another.

**Exception:** Students pursuing any degree in the Glenn Korff School of Music who fail to take at least one course that will fulfill their major requirements during a 12-month period must re-audition. They will then move to the catalog in effect at that time.

Students who have transferred from a community college may be eligible to fulfill the requirements as stated in the catalog for an academic year in which they were enrolled at the community college prior to attending the University of Nebraska-Lincoln. The decision to utilize a previous catalog should be made in consultation with academic advisors and must be requested within the first two semesters of enrollment after transferring. Students must complete all degree requirements from a single catalog year and within the time frame allowable for that catalog year.

Eligibility to use a prior catalog is dependent upon:

- Admission to the university as a transfer student
- Enrollment at a community college during the catalog year being used
- Continuous enrollment at the previous institution for one academic year or more

- Proceeding to enrollment at the University of Nebraska-Lincoln within one calendar year from the last enrollment at the previous institution
- Maintaining the same major after the admission process

**Learning Outcomes**
Graduates of art history and criticism will be able to:

1. Identify and contextualize major works of art and architecture from pre-history to the present.
2. Demonstrate historical awareness through an understanding of world cultures and the evolution of a global civilization.
3. Understand the role of art in the development of society, including how art reflects social and cultural ideologies.
4. Comprehend the methodological approaches used in art history.
5. Engage in research and utilize available resources (archives, databases, etc.).
6. Write and speak clearly and convincingly in order to communicate original ideas and analyze text.
