

MUSIC

Description

The music major is available in two degree programs. Both include the opportunity to take applied lessons with highly acclaimed faculty artists and scholars, as well as a compulsory foundation in music theory and history, keyboard skills, and ensemble participation.

Students choosing the bachelor of arts degree can expect a substantial amount of musical study encompassing about three years. This degree consists of six successive semesters of applied lessons culminating with a junior recital in the sixth semester. Alternatively, those who wish to pursue research in music may present a research project or document in lieu of the junior recital and last semester of applied lessons. The BA degree requires that a minor area of study be included in the program of studies.

Students desiring a course of study in music that will prepare them for graduate study and eventually a professional career in performance, music theory, music history, composition, or piano pedagogy should pursue a bachelor of music degree. The BM degree is recommended for students who have the desire and capacity to reach high standards of achievement in performance study. Students with a composition background may pursue the composition option, while music scholars wishing to increase their understanding of the history and/or theory of music can pursue the music history or music theory options. The performance options include eight successive semesters of applied lessons and culminate with a senior recital.

Auditions are also required for admission to the Johnny Carson School of Theatre and Film for the acting major. A separate application and portfolio review are required for acceptance into all other programs in the Johnny Carson School of Theatre and Film.

Admission Deficiencies/Removal of Deficiencies

Students who are admitted through the Admission by Review process with core course deficiencies will have certain conditions attached to their enrollment at Nebraska. These conditions are in this catalog under "Removal of Deficiencies."

Students with one deficiency, two deficiencies but not in the same category, or two deficiencies in a world language who receive a Deferred Admission or Admission by Review, may be considered for admission to the college. Students who are admitted through the Admission by Review process with core course deficiencies will have certain conditions attached to their enrollment at Nebraska. These conditions are explained under Admission to the University, Removal of Deficiencies in this catalog.

College Degree Requirements

College General Education Requirements

World Languages/Language Requirement

The language requirement serves to help students gain a working familiarity with a language and a culture other than their own.

All students pursuing bachelor of arts or bachelor of music degrees are required to complete the intermediate level in one world language. The language requirement is fulfilled by the completion of the 4th level of a single language (either in high school or in college). Language study at UNL is currently available in Arabic, Chinese, Czech, French, German, Greek, Japanese, Latin, Russian, Spanish, and American Sign Language. Courses offered at UNL that complete the sequence include: ARAB 202, CHIN 202, CZEC 202, FREN 202 or FREN 210, GERM 202, GREK 301 & GREK 302, JAPN 202, LATN 301 & LATN 302, SLPA 202, SPAN 202 or SPAN 210 or SPAN 300A.

NOTE:

- A student who has completed the fourth-year level of one world language in high school is exempt from the language requirement.
- A student whose language proficiency is not reflected on a transcript may demonstrate proficiency of the intermediate level through assessment with the Department of Modern Languages and Literatures. (Greek, Latin, and American Sign Language are not included in this process.) Report of the results will be made to the academic advisor for consideration of a waiver of the language requirement without credit toward the degree.
- International and domestic students whose first language is not English will be exempt from the requirement without credit toward the degree based on documentation of previous study.

Minimum Hours Required for Graduation

A minimum of 120 semester hours of credit is required for graduation from the Hixson-Lied College of Fine and Performing Arts. Students in the College are required to maintain a minimum current and cumulative GPA of 2.0. Individual departments may require a higher current and cumulative GPA.

Grade Rules

C- and D Grades

The College will accept no more than 15 semester hours of grades lower than C (includes C-, D+, D, and D- grades) from schools outside of the University of Nebraska system.

Courses with grades lower than C—either those earned at Nebraska or transferred from other schools—cannot be applied toward requirements in a major, but may be applied toward total hours and other requirements that do not have a minimum grade threshold.

Pass/No Pass

University regulations for the Pass/No Pass privilege state: The Pass/No Pass option is designed to be used by a student seeking to expand his/her intellectual horizons by taking courses in areas where he/she may have minimum preparation without adversely affecting his/her grade point average.

- Neither the P nor the N grade contribute to a student's GPA.
- P is interpreted to mean C or above. Some professional education courses require a C+ or above.

- A change to or from Pass/No Pass may be made until mid-term (1/2 of the course).
- The Pass/No Pass or grade registration cannot conflict with the professor's, department's, college, or University policy governing grading option.
- Prior to the mid-term deadline, changing to or from the Pass/No Pass requires using the MyRED system to change the grading option or filing a Schedule Adjustment Form with Husker Hub in the Canfield Administration Building. After the mid-term deadline, a student registered for Pass/No Pass cannot change to a grade registration unless the Pass/No Pass registration is in conflict with a professor's, department's, college, or University policy governing Pass/No Pass.
- The Pass/No Pass grading option cannot be used for the removal of C- or D or F grades.

Pass/No Pass privileges in the Hixson-Lied College of Fine and Performing Arts are extended to students according to the following additional regulations:

- Pass/No Pass hours can count toward fulfillment of ACE requirements up to the 24-hour maximum.
- Students may not elect to take courses on a Pass/No Pass basis to fulfill degree requirements in the major. Departments may allow up to 6 hours of Pass/No Pass to be taken in the minor offered by the Hixson-Lied College of Fine and Performing Arts.
- Departments may specify that certain courses can be taken only on a Pass/No Pass basis.
- The College will permit no more than a total of 24 semester hours of Pass/No Pass grades to be applied toward degree requirements. This total includes all "pass" grades earned at Nebraska and other schools.

Individual departments vary in their policies regarding Pass/No Pass hours as applied to the major and minor. Consult the individual departmental listings for these policies.

GPA Requirements

Students are expected to maintain a minimum 2.0 grade point average each semester. Some programs within the College may have higher GPA requirements to keep in good academic standing.

Transfer Credit Rules

Ordinarily, hours earned at an accredited college are accepted by the University. The College, however, will evaluate all hours submitted on an application for transfer and reserves the right to accept or reject any of them. The maximum number of hours the University will accept on transfer from a two-year college is 60.

Students wishing to include credits transferred from another institution in their program of study must submit a transcript to the Office of Admissions. **Students who have previously had transfer credits evaluated in another University of Nebraska—Lincoln college must have the credits reevaluated upon entering the Hixson-Lied College of Fine and Performing Arts.**

All transfer students must complete the Residency Requirement (see "Residency Requirement"), and at least 9 hours in the major field must be completed at the University regardless of the number of hours transferred.

The Hixson-Lied College of Fine and Performing Arts will accept no more than 15 semester hours of D grades from schools other than UNO or

UNK. All grades may be transferred from UNO or UNK. However, transfer courses within a student's major or minor will be evaluated by that unit and held to the same minimum grade standards as courses taken at the University of Nebraska–Lincoln.

The applicability of transfer credits toward major requirements is determined by the school offering the major. Requests for waiver or substitution involving courses not offered by the student's home school must have the approval of the appropriate University of Nebraska–Lincoln department.

Transfer Credit from Foreign Institutions

Credit for courses taken at foreign universities and colleges will be transferred only after validation by the appropriate department. This evaluation may include examination of the student over subject matter studied at the foreign institution.

International Baccalaureate Credit

Students who have studied art, music, or theatre within the International Baccalaureate Program will be given credit for courses at the University of Nebraska–Lincoln according to the guidelines established by each academic unit. Contact the department office for specific course information.

Course Level Requirements

Upper-Level Requirement: Thirty of the 120 semester hours of credit must be in courses numbered above 299.

Residency

Students must meet either of the following residency qualifications:

- At least 30 of the last 36 hours of credit must be registered for and completed while enrolled at the University of Nebraska–Lincoln.
- A total of 90 credits must be registered for and completed while enrolled at the University of Nebraska–Lincoln.

Credit earned during education abroad may be used toward degree requirements if students participate in prior approved programs and register through the University of Nebraska–Lincoln. Credit awarded from an institution other than Nebraska will be subject to transfer credit and residency rules.

Experiential Learning Requirement

All undergraduates in the Hixson-Lied College of Fine and Performing Arts must complete an Experiential Learning (EL) designated course.

ACE Requirements

All students must fulfill the Achievement Centered Education (ACE) requirements. Information about the ACE program may be viewed at ace.unl.edu (<https://ace.unl.edu>).

Catalog Rule

Students who first enroll at Nebraska under the 2025-2026 Undergraduate Catalog must fulfill the requirements stated in this catalog or in any other catalog which is published while they are enrolled in the College, provided the catalog they follow is no more than ten years old at the time of graduation. A student must, however, meet the requirements from one catalog only rather than choosing a portion from one catalog and the remainder from another.

Exception: Students pursuing any degree in the Glenn Korff School of Music who fail to take at least one course that will fulfill their major requirements during a 12-month period must re-audition. They will then move to the catalog in effect at that time.

Students who have transferred from a community college may be eligible to fulfill the requirements as stated in the catalog for an academic year in which they were enrolled at the community college prior to attending the University of Nebraska-Lincoln. The decision to utilize a previous catalog should be made in consultation with academic advisors and must be requested within the first two semesters of enrollment after transferring. Students must complete all degree requirements from a single catalog year and within the time frame allowable for that catalog year.

Eligibility to use a prior catalog is dependent upon:

- Admission to the university as a transfer student
- Enrollment at a community college during the catalog year being used
- Continuous enrollment at the previous institution for one academic year or more
- Proceeding to enrollment at the University of Nebraska-Lincoln within one calendar year from the last enrollment at the previous institution
- Maintaining the same major after the admission process

Learning Outcomes

Graduates of music (BA/BM) will be able to:

1. Perform in solo and ensemble settings with the technical and musical skills requisite for artistic self-expression.
2. Demonstrate a knowledge of the solo repertoire of their instrument and the interpretative skills needed to execute the range of styles in that repertoire.
3. Read solo and ensemble literature at sight with fluency.
4. Demonstrate an understanding of music theory, including the principles of common-practice harmony, musical form, and compositional process.
5. Demonstrate aural comprehension of common-practice music.
6. Utilize the keyboard as a tool to support music learning.
7. Demonstrate an understanding of the styles, genres, composers, forms, and processes of the standard periods of art music in the Western European tradition.
8. Demonstrate the ability to synthesize historical and style-analytical information.

Core Requirements

A three-year sequence of courses called the Music Core Curriculum is at the heart of the Glenn Korff School of Music instructional program. Music Core Curriculum courses may not be taken for a Pass/No Pass grade.

The first year of study provides, within a comprehensive framework, a foundation for the successful study of music in an academic environment. These courses, which include a historical overview, concentrate on music fundamentals, keyboard and aural skills, and conducting.

Option Requirements

Students will pursue one option based on audition results. In the third year, students will choose between two tracks for their culminating experience. In the performance track, a sixth semester of applied lessons is taken in conjunction with a recital. The research track replaces these two credits of applied lessons with a course in proposal development and another for writing the thesis document, taken in separate semesters.

Composition option students must also be accepted to a secondary area in which they will complete four semesters of applied lessons at the minor level.

Voice option students are required to complete at least one course in diction and literature.

Additional Major Requirements

Ensembles

MUDC/MUEN

Music Ensembles for Degree Credit (MUDC) are exclusively for music majors and minors to fulfill music requirements. One, and only one, ensemble must be enrolled as MUDC each term in which the student is involved in major or minor courses. Additional ensembles taken in a given semester by music majors or minors should be registered as Music Ensembles (MUEN).

Students who are not a major or minor in music participating in an ensemble in a given semester must enroll in that ensemble for one credit using the MUEN subject code. Students who are taking applied lessons and are participating in more than one ensemble during the same semester have the option to take the additional ensemble(s) for zero credit. Zero-credit enrollment will not be allowed for students who are not taking applied lessons.

Ensemble registrations may be repeated for credit. Ensembles taken in excess of major requirements will only count as electives.

First Year/First Semester Student Ensemble Registration Policy

- All string majors must register for MUDC 347 Symphony Orchestra.
- All wind and percussion majors must register for Symphonic Band (MUDC 348B or MUEN 348B) or Jazz Ensemble: UNL Jazz Orchestra (MUDC 353A or MUEN 353A).
- All voice majors and all piano, organ, guitar, harp, harpsichord, and composition majors must register for MUDC 346 University Chorale or MUDC 343 Varsity Chorus.
- All music minors (any applied area) registered for applied music must register for an applied related ensemble (Group I, IA, or II) selected from the List of Approved Ensembles.

Requirements for Majors

Every full-time music major (12 credit hours or more) enrolled in applied music lessons must perform in an ensemble from the List of Approved Ensembles (BA/BM keyboard and guitar players may also use MUDC 440A Accompanying Vocal, MUDC 440B Accompanying Instrumental, or MUDC 352 Chamber Music) each semester. Students should take one MUDC ensemble per semester until the ensemble requirement is completed. Ensembles taken to satisfy major requirements must be enrolled using the MUDC subject code, with a limit of one MUDC course per term. Additional ensembles may be taken using the MUEN listing. Students in the music education degree program

cannot participate in ensembles during the student teaching semester. After the student has completed the minimum ensemble requirement for a degree, the student may participate in any ensembles listed below in the List of Approved Ensembles (plus MUDC 440A, MUDC 440B, or MUDC 352 for keyboard, composition, or guitar students).

Requirements for Music Minors

(See the following list of Approved Ensembles)

Every music minor must perform in an ensemble from the List of Approved Ensembles during each semester enrolled in applied music lessons. A total of 4 credits from the List of Approved Ensembles from Group I, IA, or II in the student's applied related area (piano, organ, guitar, harp, and harpsichord emphases may select from either vocal or instrumental group options or chamber music (MUDC 352)) fulfills the ensemble requirement for music minors. Musical theatre minors must perform in an ensemble from the Vocal Approved Ensemble list (two semesters of choir and two semesters of "productions").

Requirements for Other Students Taking Applied Music

All students (with the exception of those in keyboard and guitar) taking applied music must perform in an ensemble related to their lessons. Students audition and participate in an ensemble during each semester of applied study.

Requirements for Continuing Study Toward a Music Degree

Music majors are required to demonstrate adequate skills in applied music, functional keyboard, theory and sight singing before they may continue toward the completion of a degree in music. The following prerequisites are in place to secure this requirement.

Applied Music—Upper Divisional Qualifying Jury

Music majors must pass the **Upper Divisional Qualifying Jury** (UDQJ) to be admitted into 300-level applied music. The UDQJ is usually taken in the fourth semester of applied study.

Part I – Basic Skills

Faculty evaluate the student's minimal capabilities, including the ability to sight read and perform scales and arpeggios, to determine if the student may continue as a music major.

Part II – Musicianship

Faculty evaluate the student's performance to determine if the student may continue as a music major.

Evaluation

The UDQJ is judged Pass/No Pass, with pass meaning that the student's basic musical skills and musicianship are judged to be at least minimal for his/her instrument. The jury members in each area will use a general consensus approach in determining Pass/No Pass. A No Pass on the UDQJ will indicate an interpretation by the faculty that the student has not completed the requirements for the Upper Divisional Qualifying Jury, resulting in a formal grade of **incomplete**. The student then has two additional juries to remove the incomplete. The student may continue to register for applied study at the 200 level for a maximum of two semesters until the incomplete is removed. After one year, the incomplete will expire, causing the grade to revert to a D or F. If the student passes the re-take before the beginning of the 2nd week of classes, he/she will be permitted to register for 300-level applied music courses for that semester.

NOTE: A re-examination will be scheduled only during the first week of classes following a semester in which the UDQJ was failed or during regularly scheduled jury times at the end of a semester.

The status of the music major is provisional, pending satisfactory completion of the UDQJ. The result of the UDQJ is validated on the UDQJ form with faculty signatures, and filed in the music office.

Grade Rules

C- and D Grades

Students must earn grades of C or better in these courses. Any course in which a student earns a grade of C- or below must be repeated in order to count toward the requirement.

Pass/No Pass

All courses taken to fulfill music major or minor requirements must be taken for a grade (except those only offered as Pass/No Pass).

Extended Education, Independent Study Rules, Internship Credit Rules, Transfer Credit used in Major Requirements

The following will be used by advisors as guidelines for the evaluation of transfer credits that are less than five years old:

- If a transfer student has successfully completed (grade C or above) approved transfer credits that are equivalent to major/minor requirements in terms of the number of credit hours and scope of content, that area will be considered completed at the discretion of the chief degree program advisor.
- For approved transfer credits which are lacking equivalency in either the number of credit hours, scope of content, or grade received to major/minor requirements in applied music, music theory, sight singing/aural skills, and keyboard skills, the number of transfer credits accepted and placement will be determined by audition/proficiency tests administered by designated area faculty.
- For approved transfer credits which are lacking equivalency in other music areas (history and ensembles), the number of transfer credits accepted will be determined by the chief degree program advisor.

All music coursework that is more than five years old must be validated by an audition or competency examination given by designated area faculty.

Requirements for Minor Offered by Department

The minor in music does not require an audition. Students who wish to take applied music lessons as part of the minor requirements must audition for Glenn Korff School of Music faculty prior to enrollment in these courses. Contact the Auditions Coordinator in the Glenn Korff School of Music for more information.
