SPORTS MEDIA & COMMUNICATION

Description
A national leader in collegiate athletics, the University of Nebraska–Lincoln attracts many students who have a strong interest in sports. The sports media and communication major provides students with a unique opportunity to fulfill their aspirations of pursuing a career in sports without being a competitive athlete. Students start by creating a strong foundation of sports knowledge and skills from a variety of perspectives, including journalism, broadcasting, advertising, public relations, and marketing. Students then have the ability to add depth to their upper-level electives.

The college has offered sports courses for decades, including courses in sports broadcasting, sports writing, and sports media relations and promotion, and it has produced highly successful alumni working in sports for major media organizations across the United States. Faculty have built relationships with sports media organizations that provide special learning opportunities for students, such as ESPN, FOX Sports University, BigTen Network, Special Olympics, as well as local stations and agencies.

The sports media and communication major offers a plethora of employment opportunities for students, including jobs in sports journalism, sports announcing, sports information, sports marketing, sports event planning, sports community relations, graphic and Web design in sports, multimedia storytelling in sports, and sports media entrepreneurship.

The faculty, with many professional contacts both locally and nationwide, actively help students find jobs within the state and throughout the country. Students interested in majoring in sports media and communication should contact the college office in 147 Andersen Hall, 402-472-3041.

College Requirements

College Admission
The entrance requirements for the College of Journalism and Mass Communications are the same as the admission requirements for the University of Nebraska–Lincoln.

These include:

- English (4 units)
- Mathematics (4 units)
- Social studies (3 units)
- Natural sciences (3 units)
- Foreign language (2 units)

One unit equals one year of high school credit. Students with one deficiency or two deficiencies, but not in the same category, who receive a Deferred Admission or Admission by Review, may be considered for admission to the college. Students who are admitted through the Admission by Review process with core course deficiencies will have certain conditions attached to their enrollment at the University of Nebraska–Lincoln. These conditions are explained under Admission to the University, Removal of Deficiencies. High school deficiencies must be removed during the first 30 credit hours of enrollment at Nebraska or the first calendar year, whichever takes longer.

Admission GPA
Any student transferring into the college must have at least a 2.0 GPA. A student with 12 or more hours of college credit must have at least a 2.0 GPA to be admitted or readmitted to the College of Journalism and Mass Communications.

Readmission
A student who left the University not in good standing (below a 2.0 grade point average) may be readmitted in the Explore Center. Such a student would be eligible to reenter the College of Journalism and Mass Communications upon attaining a 2.0 cumulative GPA.

Other Admission Requirements

Students from other Colleges
College of Journalism and Mass Communications courses will be restricted to College of Journalism and Mass Communications majors except where stipulated differently. Students from colleges and departments with a written agreement with the College of Journalism and Mass Communications will be exempt from this policy. Permission may be granted by an associate dean of the College of Journalism and Mass Communications in special circumstances following the directives provided by the faculty in these matters. Details about agreements with programs outside the College of Journalism and Mass Communications are listed on the college's website (https://journalism.unl.edu/non-majors/).

ESL Students
Applicants who speak English as a second language must present a TOEFL score of 70 or higher, which includes a subscore of at least 20 on the writing test. Additionally, broadcasting majors must present a score of at least 45 on the Test of Spoken English.

College Degree Requirements

College General Education Requirements
To graduate with a bachelor of journalism degree, students must complete requirements from the following areas:

- the University ACE requirements
- the requirements for a major offered by the college
- the non-major requirements that are specific to the college

College Non-Major Requirements
The college non-major requirements (NMR) are designed to further the purposes of liberal education by encouraging study in several different areas. Courses satisfying these requirements may impart specialized knowledge or broadly connect the subject matter to other areas of knowledge.

Group 1—Achievement-Centered Education (ACE)
All College of Journalism and Mass Communication students must complete the University ACE requirements. The CoJMC requires all ACE courses be completed outside the college except ACE 10. Courses within the college are those with the following prefixes: ADPR, BRDC, JOMC, JOUR, SPMC. For the ACE 3 requirement, students must complete a
Statistics course from the following options: STAT 218 or CRIM 300 or ECON 215 or EDPS 459 or SOCI 206.

**Group 2—Courses Outside of the College (60 hours)**
Candidates for the bachelor of journalism degree must abide by the Accrediting Council on Education in Journalism and Mass Communication accrediting guidelines, receiving a well-rounded liberal arts and science education. The CoJMC requires 60 semester hours be completed outside the college. Courses within the college are those with the following prefixes: ADPR, BRDC, JOMC, JOUR, SPMC. The same course restrictions and exclusions are noted on the College of Journalism and Mass Communications catalog page (https://catalog.unl.edu/undergraduate/journalism-mass-communications/).

**Group 3—Minor Outside of the College**
CoJMC majors must complete one minor or an approved University of Nebraska–Lincoln undergraduate certificate of 12 of more credit hours outside the College of Journalism and Mass Communications. Students may complete more than one minor or certificate if they wish.

Generally, CoJMC courses will not count toward a minor or certificate outside the college unless the course is approved as part of the minor, certificate or the department offering the minor approves the substitution. The CoJMC course that was substituted cannot be a required course in the CoJMC major and cannot count toward the total number of hours in the CoJMC major.

**Group 4—Languages–Classical and Modern: 0-6 or 10 hours**
A student who has completed the fourth-year level of one foreign language in high school is exempt from the languages requirement. All foreign language courses, as well as American Sign Language courses, will also count in Group 2.

**Options for completion of language requirement:**
1. Fulfilled by the completion of the 4th level of a single language (either in H.S. or in college). Language study at UNL is available in: ARAB, CHIN, CZEC, FREN, GERM, GREK, JAPN, LATN, RUSS, or SLPA, SPAN. 1
2. Students who have completed at least two years of one foreign language in high school may satisfy the college's foreign language requirement by completing 101 and 102 in a different foreign language.
3. For students who have no admission entrance deficiency in language, the Department of Modern Languages and Literatures or the Department of Classics and Religious Studies can oversee a test at the 202 level for any language taught in those departments (Arabic, Chinese, Czech, French, German, Greek, Japanese, Latin, Russian, or Spanish.) Report of the results will be made to the academic advisor for consideration of a waiver of the language requirement.

A student who has demonstrated acceptable proficiency in a language other than English is exempt from the foreign language requirement without credit toward the degree (for example, international students who completed high school outside the United States). Students may complete a placement exam administered at the Department of Modern Languages and Literatures or have a conference with a Modern Language professor for confirmation of language proficiency in 203 or higher. Report of the results will be made to the academic advisor for consideration of a waiver of the language requirement.

**Residency**
Students must complete at least 30 of the 120 total hours for their degree at Nebraska. Students must complete at least half of their major coursework including 15 of the 30 hours required above 299 in residence. Students transferring hours into the advertising and public relations, broadcasting, journalism, or sports media and communication majors must meet additional requirements, which are described under Transfer Credit Rules. To encourage participation in international study, the college accepts all prior-approved education abroad credits as hours in residence.

**Transfer Credit Rules**
The goal of the following policy is to ensure that students from other campuses meet the same standards required of students who take
all their courses at the University of Nebraska–Lincoln's College of Journalism and Mass Communications.

The college will accept up to 6 hours in journalism and mass communications courses taken at institutions that do not have an ACEJMC-accredited journalism and mass communications program. Students must take the remainder of the required hours in their ADPR, BRDC, JOMC, JOUR, or SPMC majors from the University of Nebraska–Lincoln. All students must complete the college's capstone course designated for their major. At the University of Nebraska–Lincoln, students from ACEJMC-accredited programs may request equivalency reviews of the required courses at those schools. Degree candidates must accumulate 60 credit hours of non-journalism and mass communications classes. These are to be selected from ACE courses outside of journalism and mass communications courses or courses in disciplines listed as Liberal Education/Liberal Arts, which includes non-vocational ALEC courses, College of Business courses and College of Fine and Performing Arts courses.

Credit for courses taken at foreign universities and colleges will be transferred only after evaluation by the associate dean. This evaluation may include examination of the student over subject matter studied at the foreign institution.

ACE Requirements
All students must fulfill the Achievement-Centered Education (ACE) requirements. Information about the ACE program may be viewed at ace.unl.edu (http://ace.unl.edu).

Catalog Rule
Students who left the university in good standing may be readmitted to the College of Journalism and Mass Communications and they may choose the catalog under which they wish to graduate according to the following guidelines:

1. Students must fulfill the requirements stated in the Undergraduate Catalog for the year they enter the College of Journalism and Mass Communications or in any subsequent catalog published while they are enrolled in the college.

2. No returning student may use a catalog that is 10 years old or older. In addition, any student seeking graduation credit for a College of Journalism and Mass Communications course taken more than 10 years prior to graduation must demonstrate mastery of the material currently included in that course at the proficiency level satisfactory to the associate dean and one or more faculty members qualified to teach the course in question. Students unable to demonstrate satisfactory mastery of the course material will be required to repeat the original course or a corresponding contemporary course designated by the college's advisory committee, if the original course is no longer offered.

Graduates of sports media and communication will be able to:
