Dual Degrees

A student who wishes to meet the requirements for two baccalaureate degrees must complete a minimum of 30 additional semester hours at the University beyond the first degree in order to be awarded a second degree.

Student Recognition

Dean's List

Students enrolled in the College of Public Affairs and Community Service who maintain a grade point average of 3.5 or better while carrying 12 graded hours or more will earn the distinction of being placed on the Dean's Honor List at the end of each semester.

Degrees with Honors

The baccalaureate degrees with honors are awarded as follows:

1. To all graduates whose scholastic average for their entire university career and at NU is 3.51 or above, but below 3.63, the degree with distinction (cum laude).
2. To all graduates whose scholastic average for their entire university career and at NU is 3.63 or above, but below 3.87, the degree with high distinction (magna cum laude).
3. To all graduates whose scholastic average for their entire university career and at NU is 3.87 or above, the degree with highest distinction (summa cum laude).

To qualify for honors, a student must have earned at least 60 semester hours within the University of Nebraska system, 30 hours of which must be completed at the University of Nebraska at Omaha and/or the University of Nebraska–Lincoln and in which letter grades of A, B, C, or D are received. Grades awarded in all courses taken at all colleges and universities attended are included in computing the grade point average (GPA) for determining eligibility for honors. It should be noted that the GPA included in the student grade reports issued by the Registrar's Office reflects only courses taken at UNO, UNL, UNMC and UNK.

Degree Audit and Application for Graduation

Graduation Requirements

Students are expected to develop a clear understanding of degree requirements and to plan their course of study with a College advisor. Students requiring clarification of outstanding degree requirements should visit with a College advisor promptly.

Students should access their Degree Audit via MyRed at least once each term to review degree requirements and progress toward graduation. It is the student's responsibility to make sure their Degree Audit accurately reflects their current College and program of study.

Students who believe their Degree Audit has errors or omissions should visit with a College advisor promptly. It is important that you resolve these matters as soon as practicable to avoid a delay in graduation.

Each student with MyRED access must submit an online Application for Graduation via MyRED for each degree to be received by:

- The last Friday in January for May graduation
- The last Friday in June for August graduation
- The last Friday in September for December graduation

Students submitting an electronic Application for Graduation via MyRed will be billed a \$25.00 per degree fee on their student account. Those students without MyRED access may apply for graduation in person at the Office of the University Registrar, 107 Canfield Administration Building or by mail. Applications for Graduation submitted in person or by mail must be accompanied by a check or money order in the amount of \$25.00 payable to the University of Nebraska–Lincoln. Failure to submit a timely Application for Graduation may preclude the awarding of a degree in the intended term.

Your Application for Graduation and required \$25.00 fee are good only for the term marked on your application. Neither your application nor your fee, are transferrable to another term. If you submit an Application for Graduation and pay the \$25.00 fee for a specified term but do not complete your degree requirements in that term, you will need to reapply to graduate in a future term and incur another \$25.00 fee.

Commencement ceremony information will be emailed to all degree applicants approximately one month before graduation. Each student who has applied for graduation must submit an online Commencement

Attendance Form via MyRED, which will be available when the informational email is distributed.

Only those students who have applied for graduation, had the application accepted, and fulfilled all degree requirements as of the last day of the academic term may participate in the commencement ceremony for that term. Because the University of Nebraska–Lincoln has a commencement for each term, ceremony participation is allowed only in the term during which the student has properly and timely applied for graduation and fulfilled degree requirements.

Catalog to Use

Choice of Catalog Policy

A student registering in the College of Public Affairs and Community Service for the first time may, except for limitations described below, complete work for the degree according to the requirements of

1. the catalog in effect the year the student enters CPACS, or
2. the catalog current at the time the student applies for the degree.

Students entering the College for the first time in the summer will be subject to the catalog for the academic year immediately following.

Students formerly in a CPACS program who drop out of the College for one year must complete requirements of the catalog current at the time of readmission.

Failure to complete the requirements for the degree within seven years after the date the student first enters the College will subject the student to graduation under the requirements of a later catalog to be approved by the Dean.

The College reserves the right to institute and make effective, after due notice, during the course of a student's work toward a degree, any new ruling which may be necessary for the general good of the College and to substitute courses currently offered for those no longer offered.

College Degree Requirements

Achievement-Centered Education (ACE)

All students on the Lincoln campus must fulfill the Achievement-Centered Education (ACE) requirements. The 30-hour ACE requirement will include a minimum of 3 hours of approved course work in each of the 10 designated Achievement-Centered Education (ACE) student learning outcome areas which can be viewed at <http://ace.unl.edu>. Students will be provided a list of courses they can select from to meet each of the 10 ACE Student Learning Outcomes.

Foreign Languages/Language Requirement

Students in the College of Public Affairs and Community Service who have completed the University of Nebraska high school admission requirement of two years in the same language will not be required to complete additional language for their degree.

Minimum Hours Required for Graduation

Each candidate must present a total of at least 120 semester hours of college credit to meet graduation requirements.

Grade Rules

C- and D Grades

A minimum grade of at least C- must be earned in all required courses within the major, unless a higher grade is designated by the department/

Pass/No Pass

See individual school/department limitations regarding Pass/No Pass.

GPA Requirements

Each candidate for the degree must attain a cumulative grade point average of at least 2.0. A minimum grade of at least C- must be earned in all required courses within the major, unless a higher grade is designated by the department/school. All grades reported by the faculty to the registrar become a part of the student's permanent record and are included in the computation of the grade point average, even though some of these grades may be for work done in excess of the 120 hours required for graduation.

Transfer Credit Rules

The transfer of D grades in non-major courses are accepted only from within the University of Nebraska system. Students from other institutions must present a grade of C- or above for all course work.

Generally, hours earned at an accredited college are accepted by the University, however, the college will evaluate all hours submitted for transfer to determine applicability toward the degree. A maximum of 64 hours may be transferred from a two-year college and a maximum of 90 hours from a four-year institution.

Course Level Requirements (Hour Requirement 300+)

Individual departments/schools should be consulted for the minimum number of upper division hours required.

Independent Study and Internship Rules

Individual schools/departments should be consulted for rules regarding independent study and internship credit applicable to majors or minors.
