College Requirements
College Admission
The entrance requirements for the College of Public Affairs and Community Service, including any of the majors or minors offered through the college, are the same as the University of Nebraska–Lincoln General Admission Requirements. Students who have been admitted to the University may apply for entrance to the College of Public Affairs and Community Service during initial registration by indicating their preference in the appropriate place on the University Application for Admission form.

Students who wish to readmit or transfer into the College from another institution or another program within the University should refer to the individual school/department requirements to declare their intended major.

Admission Deficiencies
Students with high school admission deficiencies that have been admitted to the University of Nebraska–Lincoln may enter the College of Public Affairs and Community Service. A college course may fulfill a high school deficiency and may also apply toward a degree in the College.

College Degree Requirements
Achievement-Centered Education (ACE)
All students completing their degree on the Lincoln campus must fulfill the Achievement-Centered Education (ACE) requirements. The 30-hour ACE requirement will include a minimum of 3 hours of approved coursework in each of the 10 designated Achievement-Centered Education (ACE) student learning outcome areas, which can be viewed at ace.unl.edu (http://ace.unl.edu). Students will be provided a list of courses they can select from to meet each of the 10 ACE Student Learning Outcomes.

Grade Rules
C- and D Grades
A minimum grade of at least C- must be earned in all required courses within the major, unless a higher grade is designated by the department/school. See individual school/department limitations regarding Pass/No Pass.

GPA Requirements
Each candidate for the degree must attain a cumulative grade point average of at least 2.0. A minimum grade of at least C- must be earned in all required courses within the major, unless a higher grade is designated by the department/school. Students entering the College for the first time in the summer will be subject to the catalog for the academic year immediately following.
Students formerly in a CPACS program who dropped out of the College for one year complete requirements of the catalog current at the time of readmission.

Failure to complete the requirements for the degree within seven years after the date the student first enters the College will subject the student to graduation under the requirements of a later catalog to be approved by the Dean.

The College reserves the right to institute and make effective, after due notice and during the course of a student’s work toward a degree, any new ruling which may be necessary for the general good of the College and to substitute courses currently offered for those no longer offered.
